Accessing the Managers Menu on Mobile

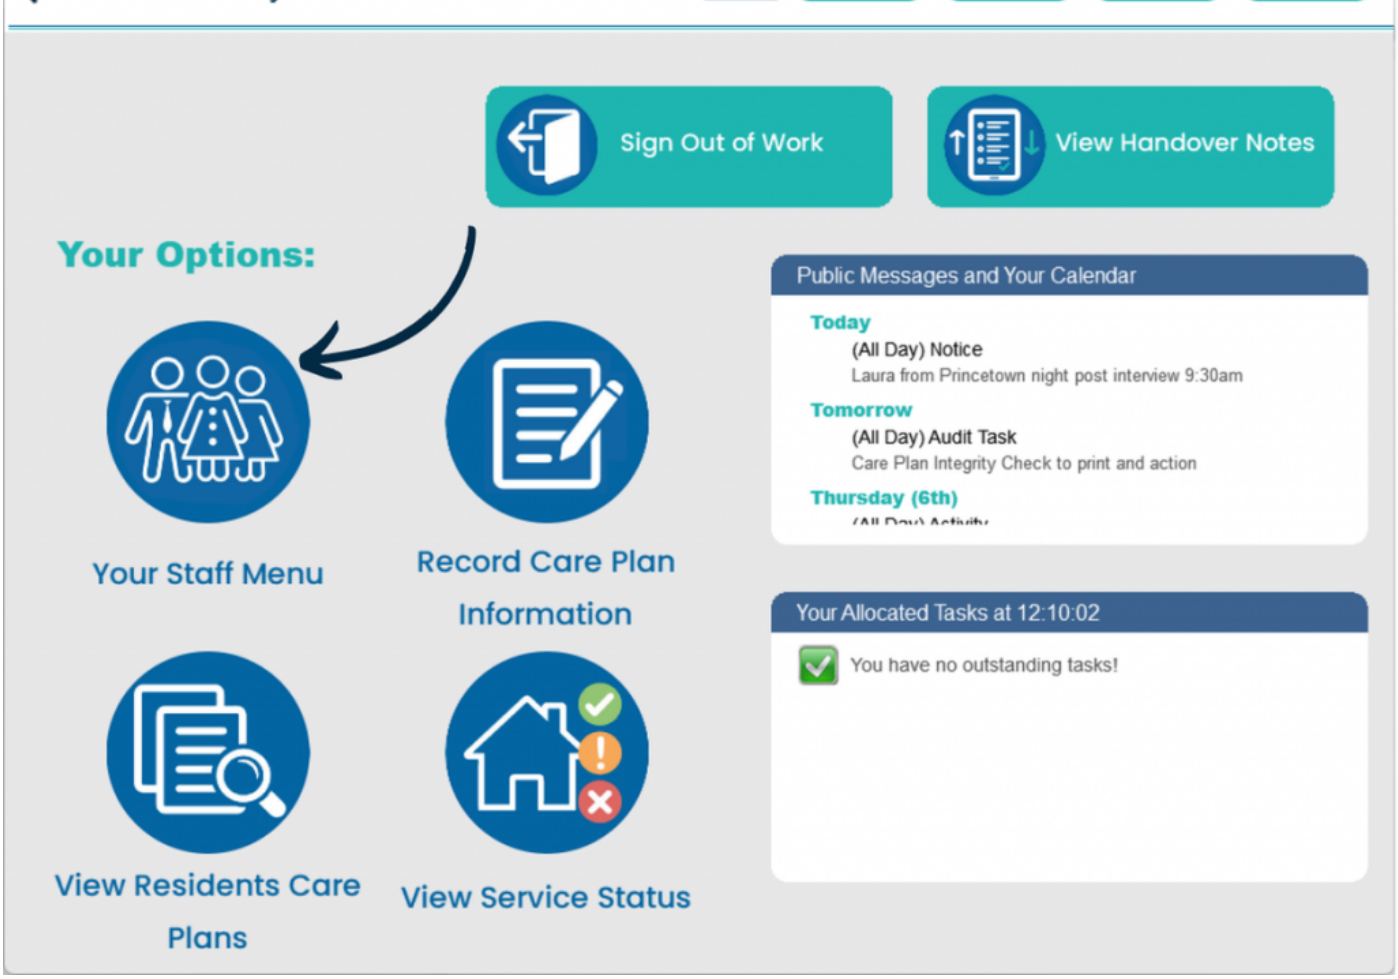
This guide will cover how to access the Managers Menu on Care Control Mobile. This tool allows users to manager service users from our tablet application.



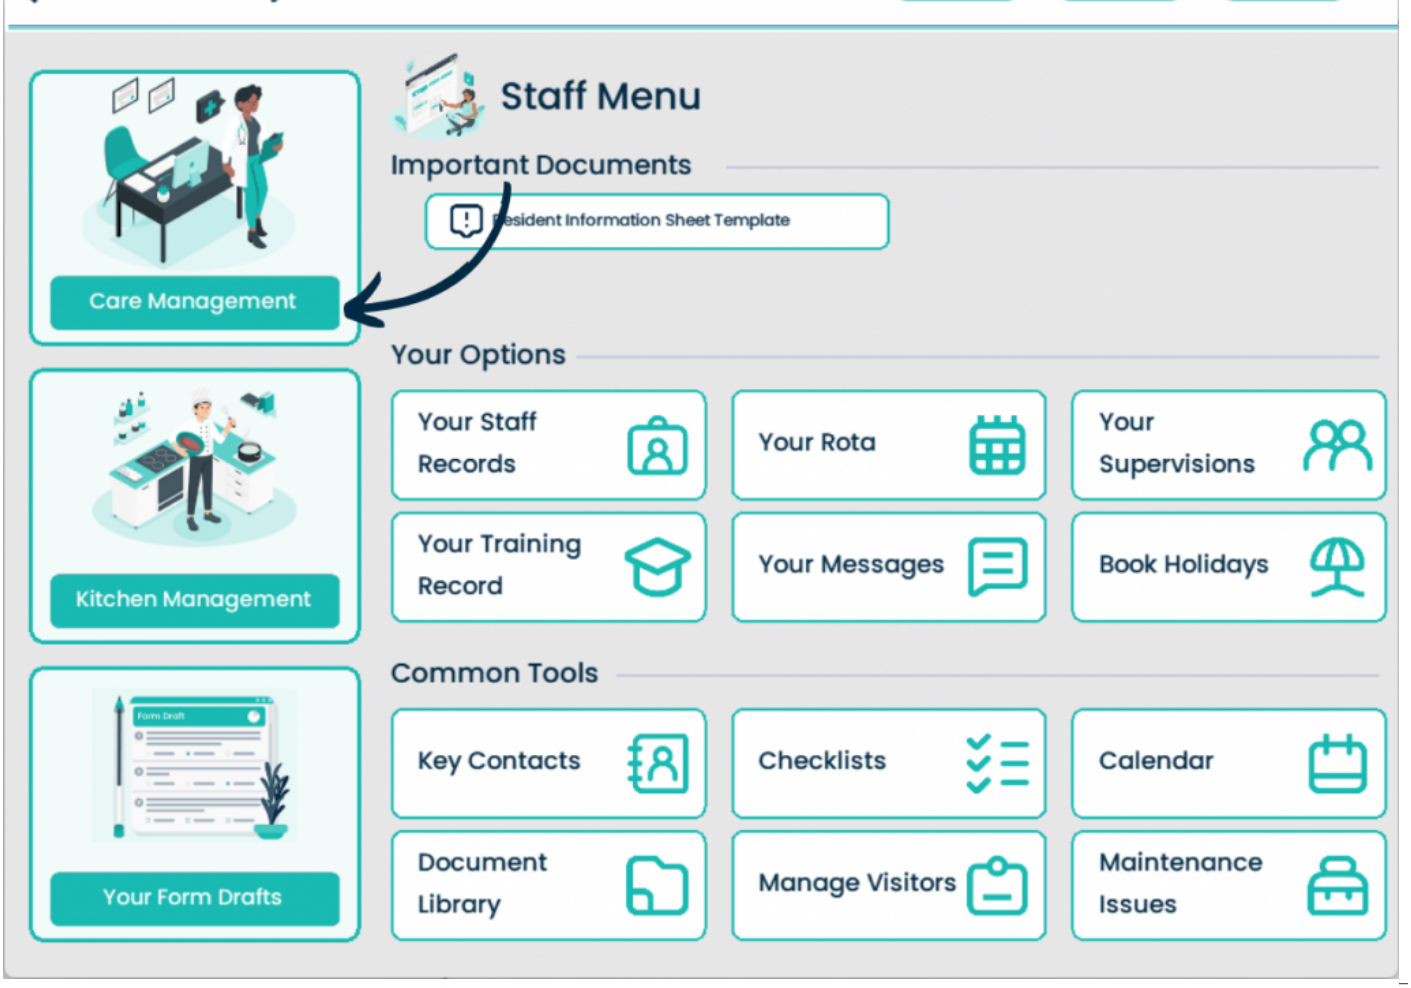
1

After signing into Care Control Mobile, navigate to **Your Staff Menu**.

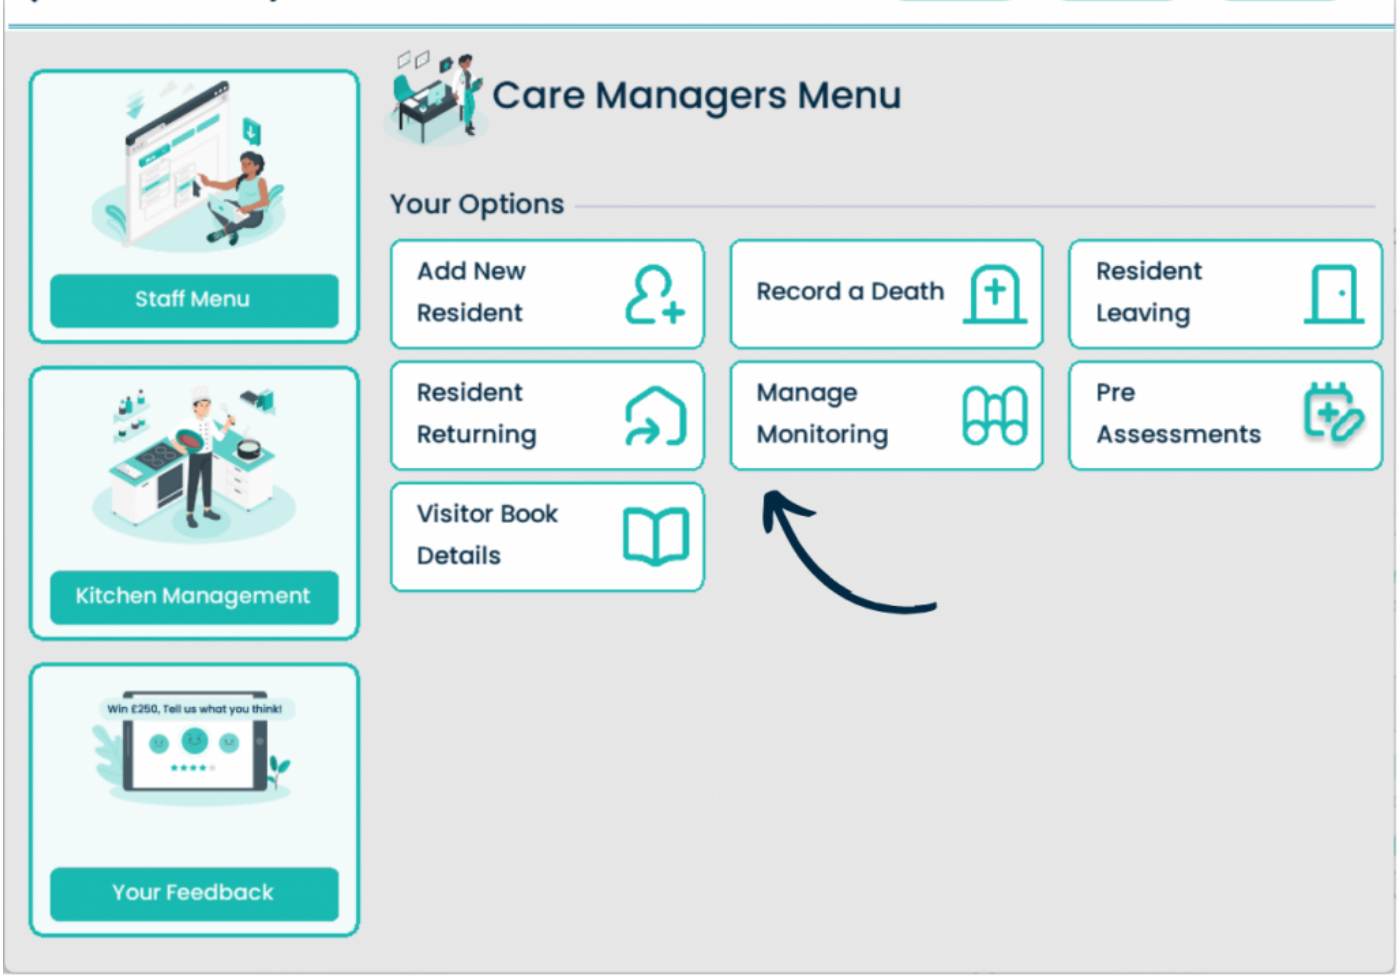
2

Next, select **Care Management** from the options on the left hand side.

Note: access to this area will only be granted assuming the user has the correct permissions on Care Control.



Staff Menu
Important Documents
Resident Information Sheet Template
Care Management
Kitchen Management
Your Form Drafts
Your Options
Your Staff Records
Your Rota
Your Supervisions
Your Training Record
Your Messages
Book Holidays
Common Tools
Key Contacts
Checklists
Calendar
Document Library
Manage Visitors
Maintenance Issues



3

Here, you can:

- Add a new service user.
- Record a service user death / service user leaving or returning.
- Manage Monitoring
- Access Pre-Assessments
- Access the V-Book dashboard.
