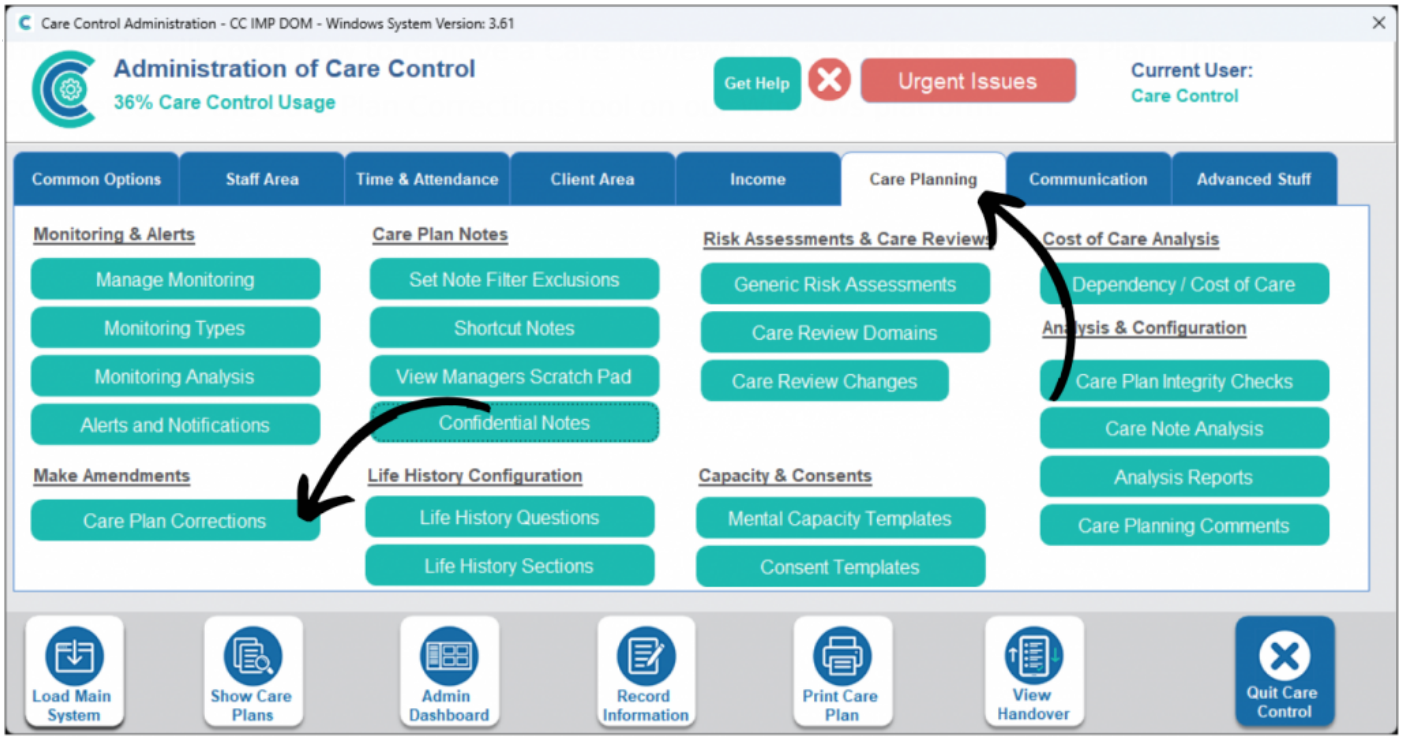
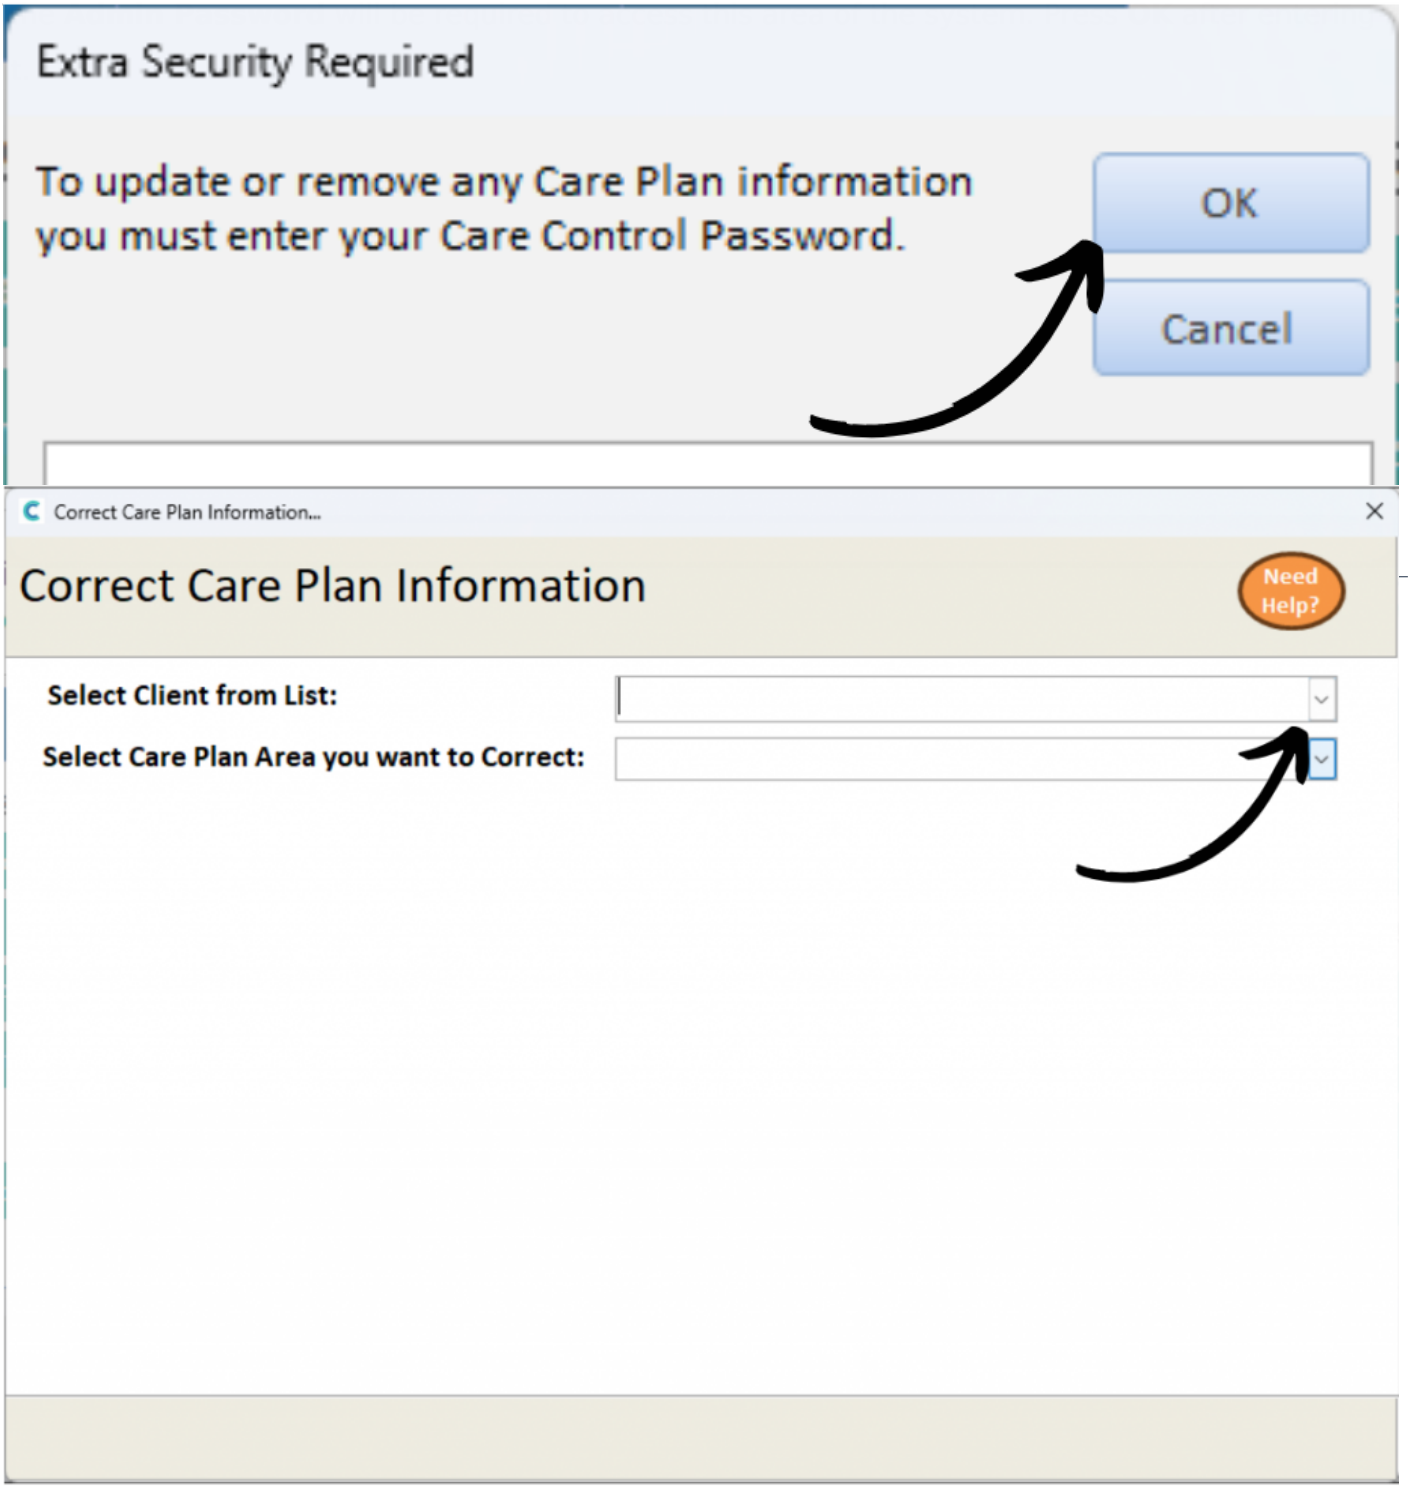
## Removing a Care Review



## 1

In the Administration of Care Control Windows, navigate to the **Care Plan Corrections** tool, which can be found under the Care Planning tab.

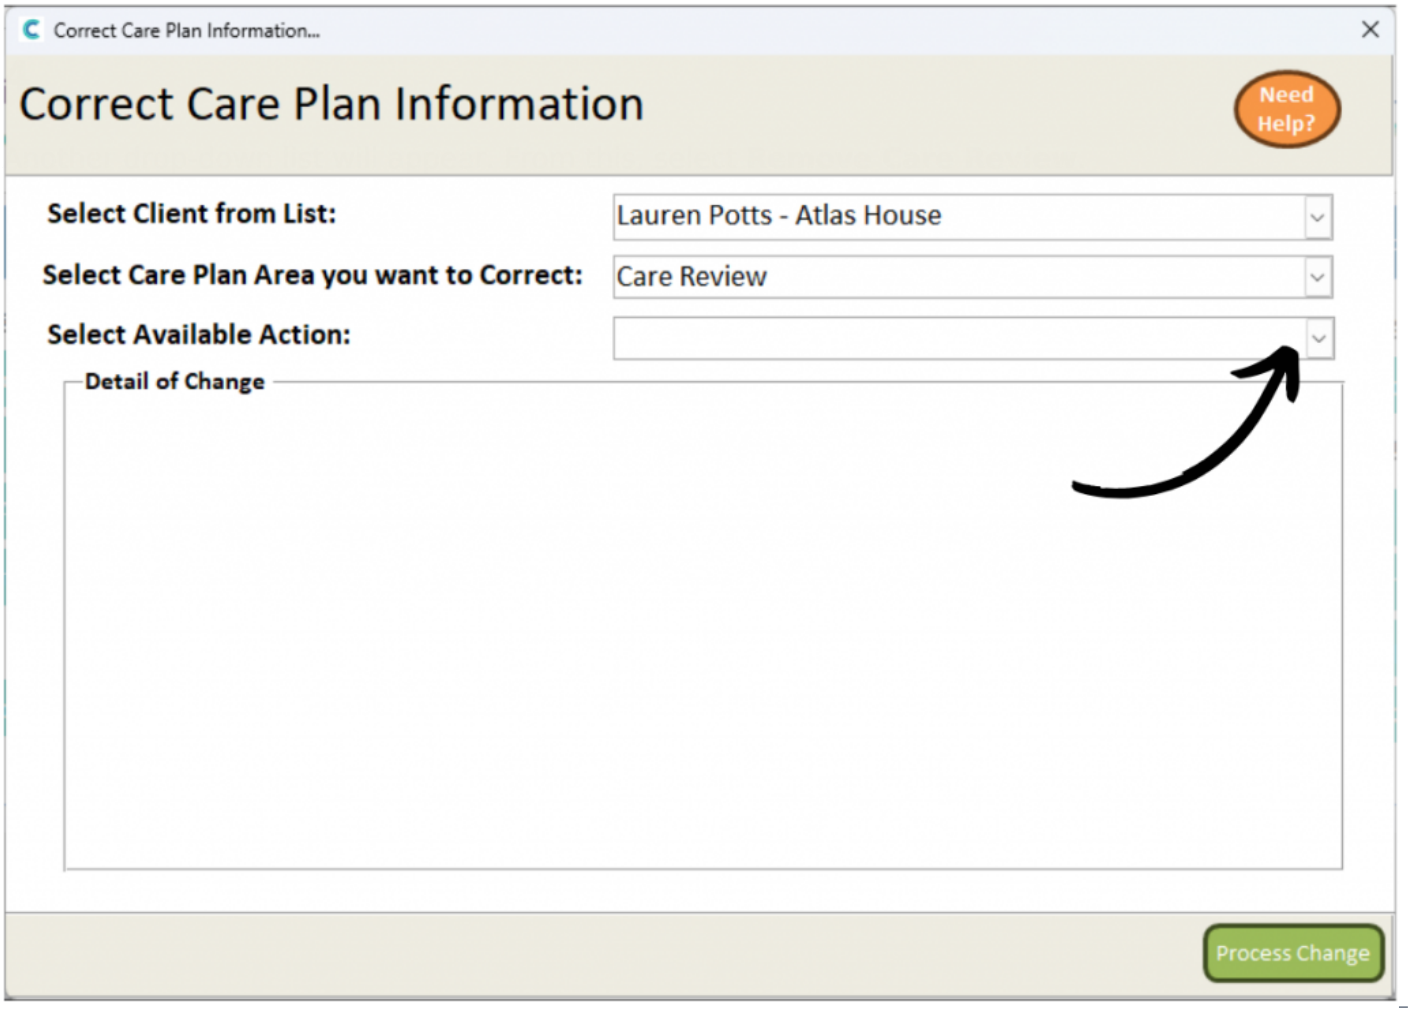
## 2

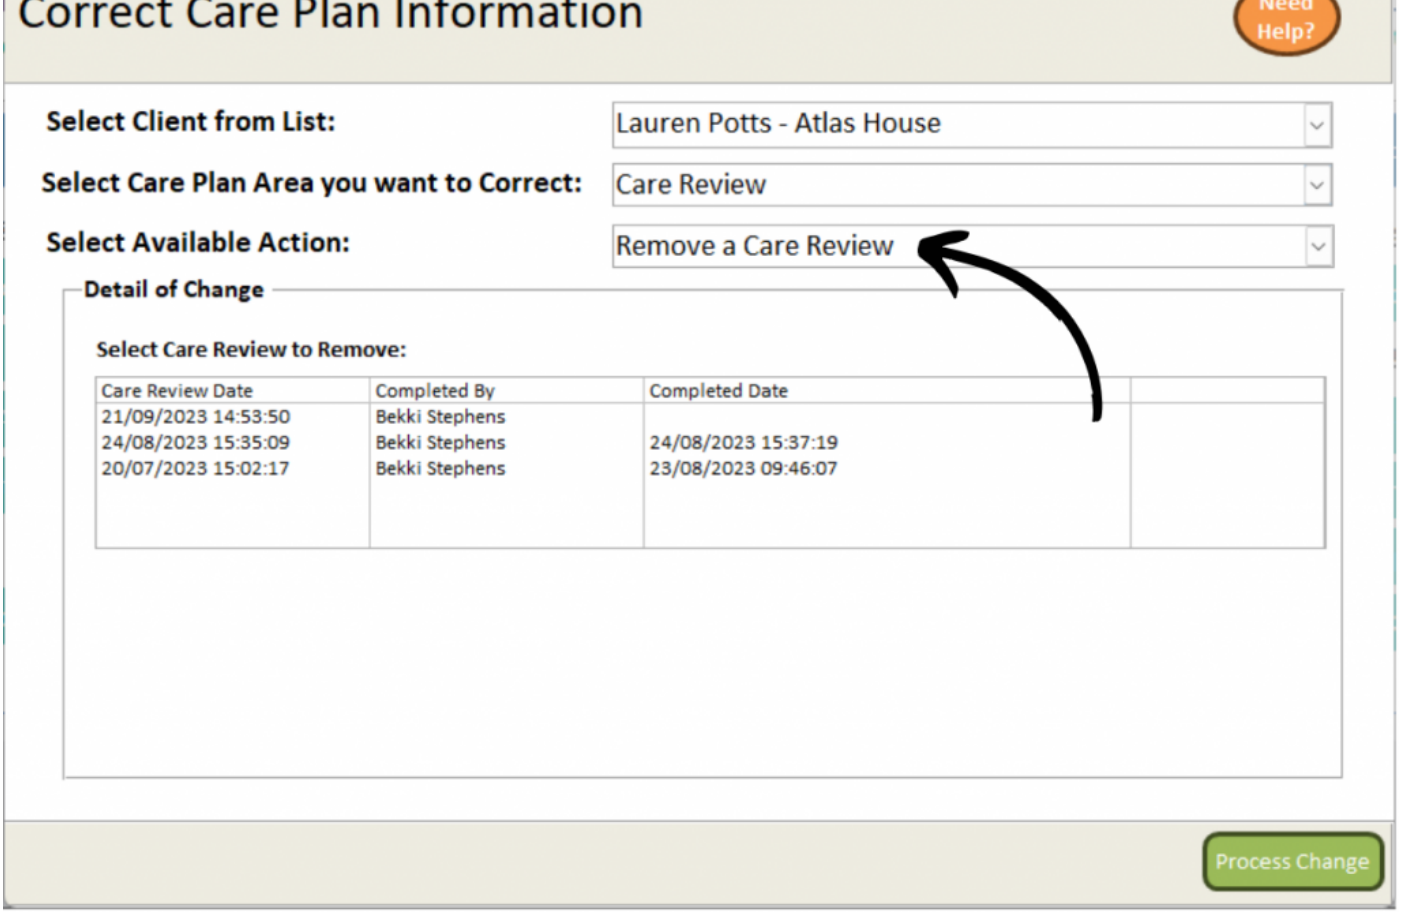


## 3

A new window will open. Here, select the **service user** you wish to remove the Care Review for from the drop-down list.

Then, select **Care Reviews** from the Care Plan Area drop-down list.



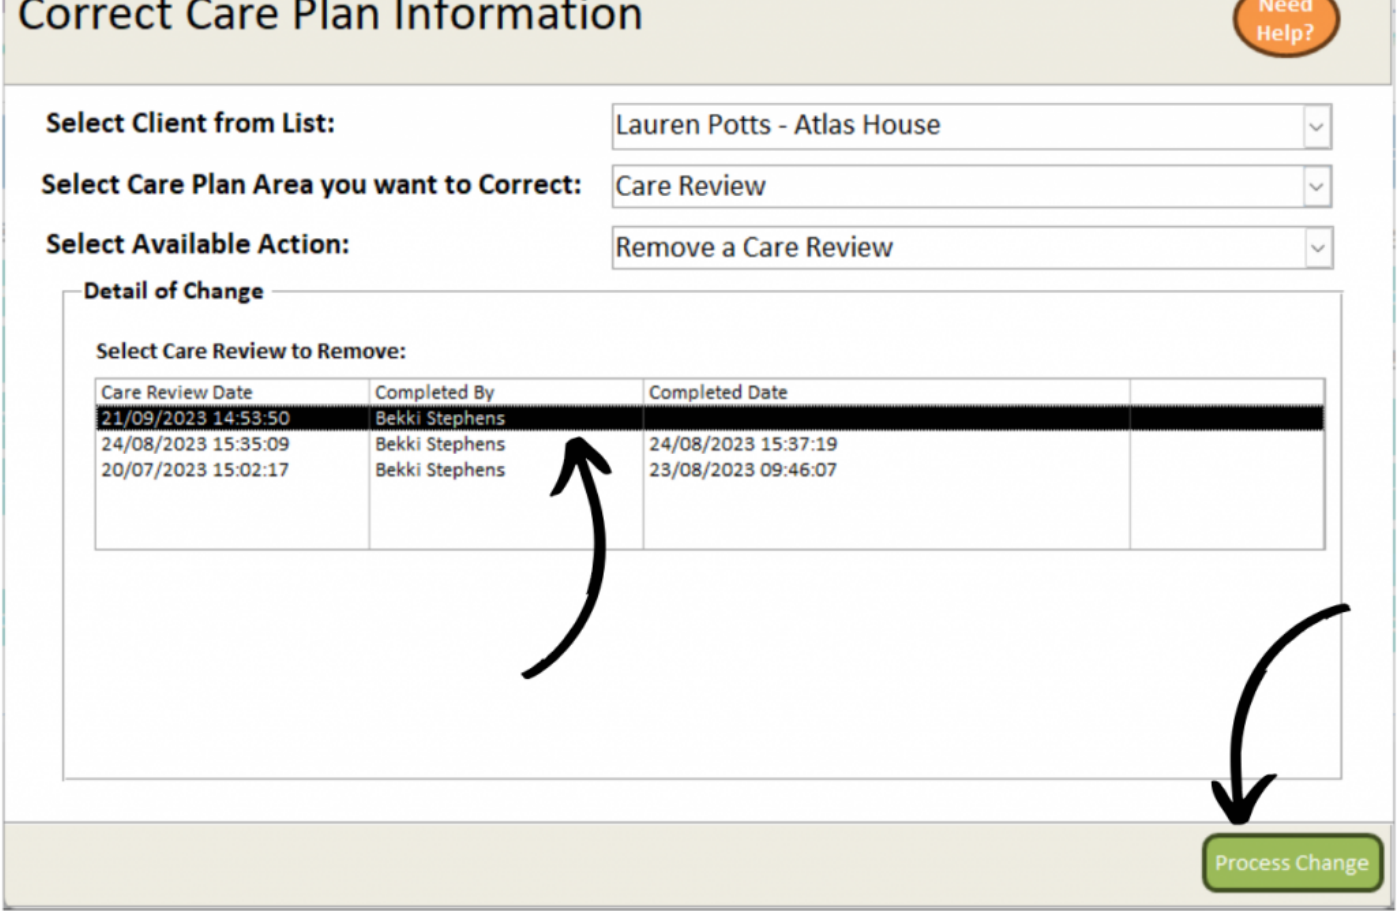


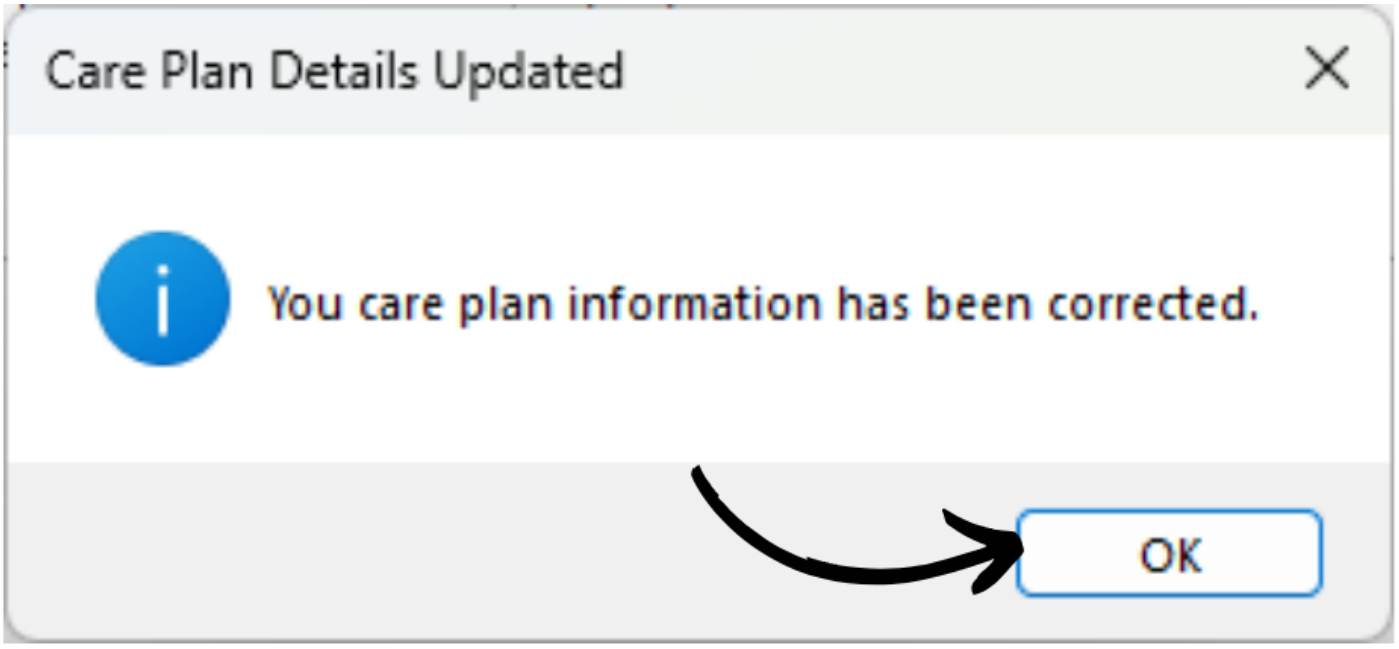
## 5

A list of current and historic care reviews will be displayed for the selected service user.

## 6

To remove one, simply select the one you wish to delete and press **Process Change**.





## 7

You will receive a confirmation message, press **OK**.
