Viewing the Bradford Factor Analysis on Cloud

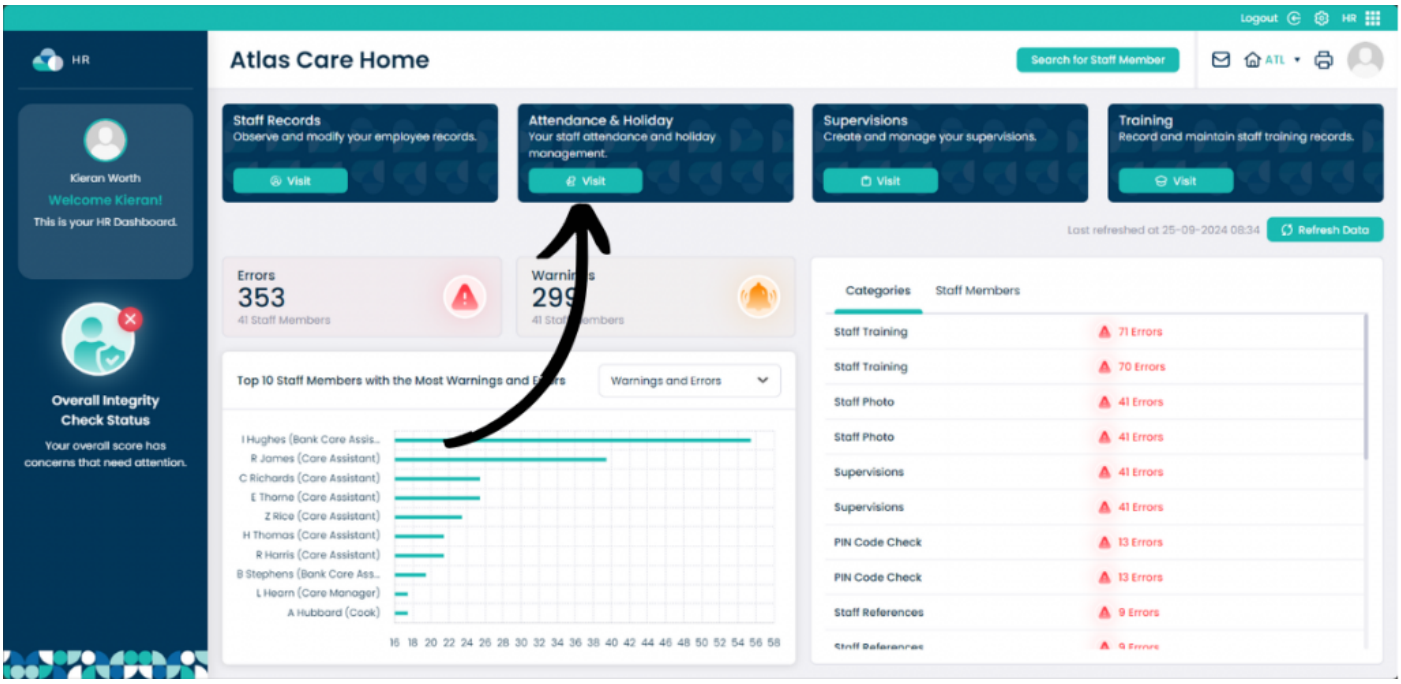
This guide will cover how to access the Bradford Factor Analysis.

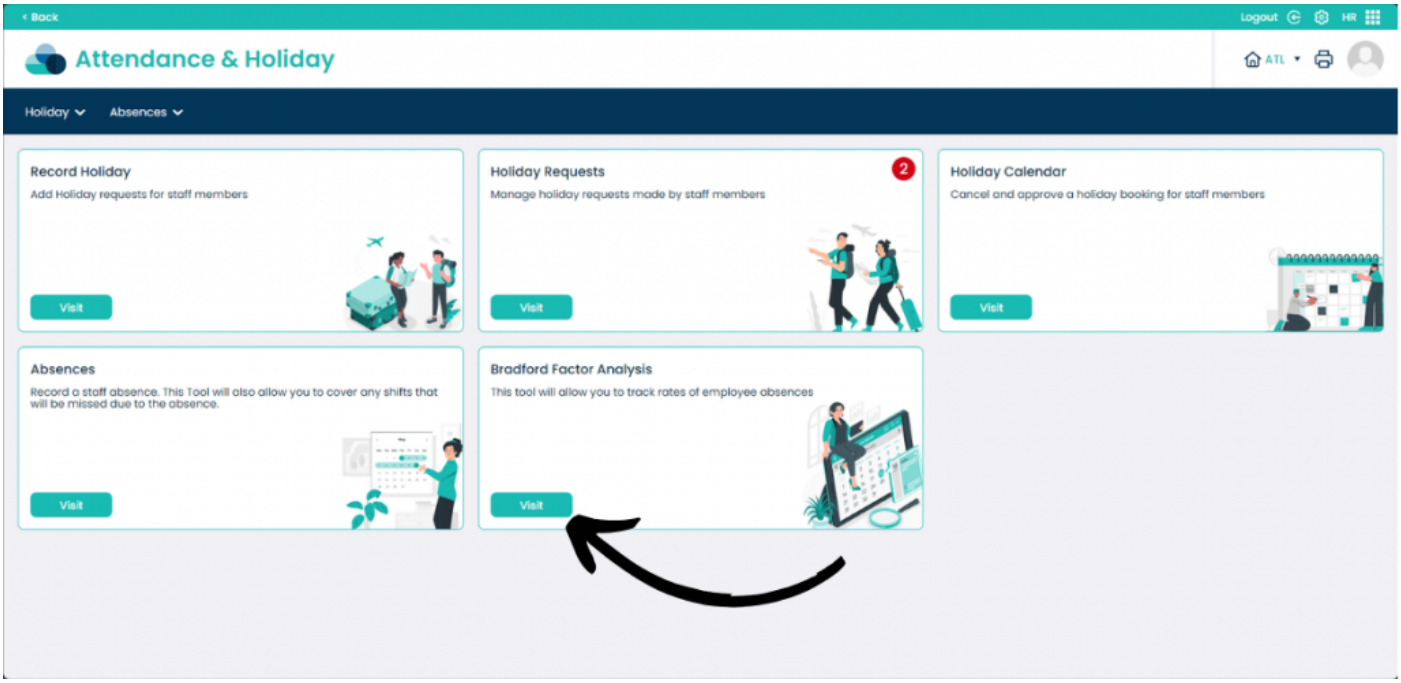
Step 1:

When you are within the **HR** application on Cloud, select **Attendance & Holiday.**



Step 2:

When on this page click **Visit** underneath **Bradford Factor Analysis.**



Step 3:

You can now see the **Bradford Score** of each staff member. On this page you can filter through **Staff, Start Date, End Date, Staff Status** and **Show My Team Only.**

You can also **Export Data** into a CSV file. From this page you can also **Record Absence** from within this page.

This analysis will help to determine the impact of employee absenteeism on your organisation.
