- How to change or turn off Weight Recording interval on Cloud

Kieran Worth

This guide will show you how to adjust or disable the weight recording interval in the Care Control Cloud Admin App.

Follow the steps below to update your settings, whether you want weights recorded daily, at specific intervals, or not at all.

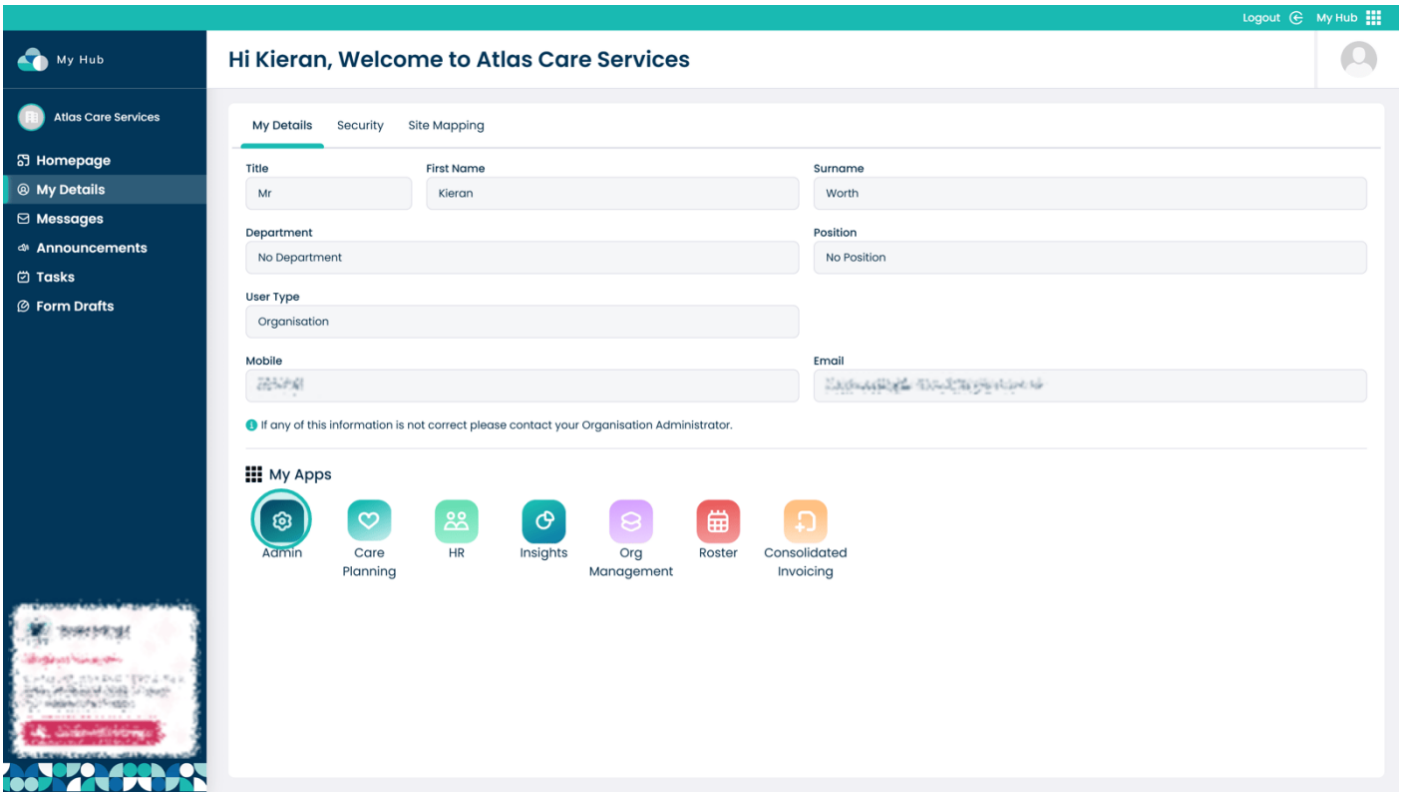

Interactive Guide

Text based guide

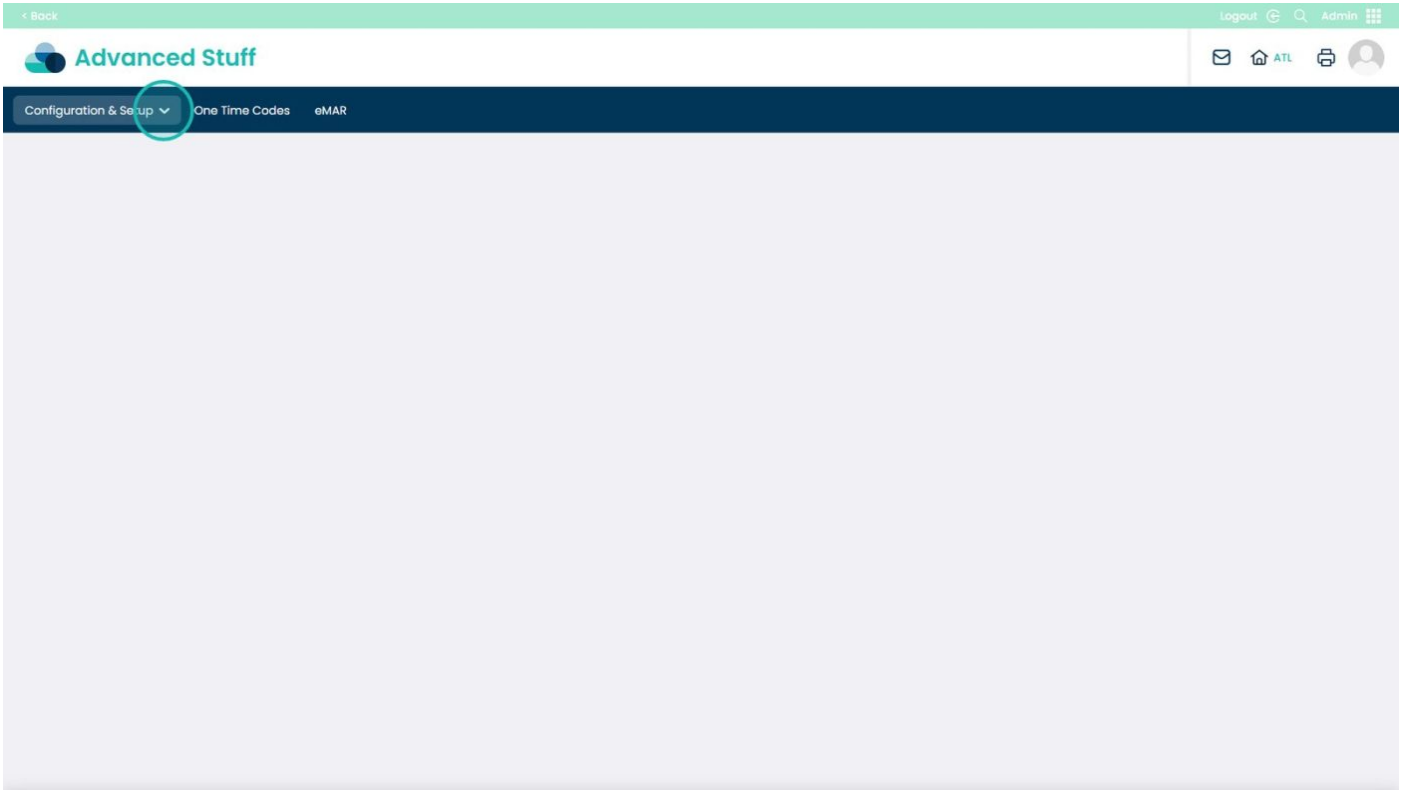

Open the Admin app

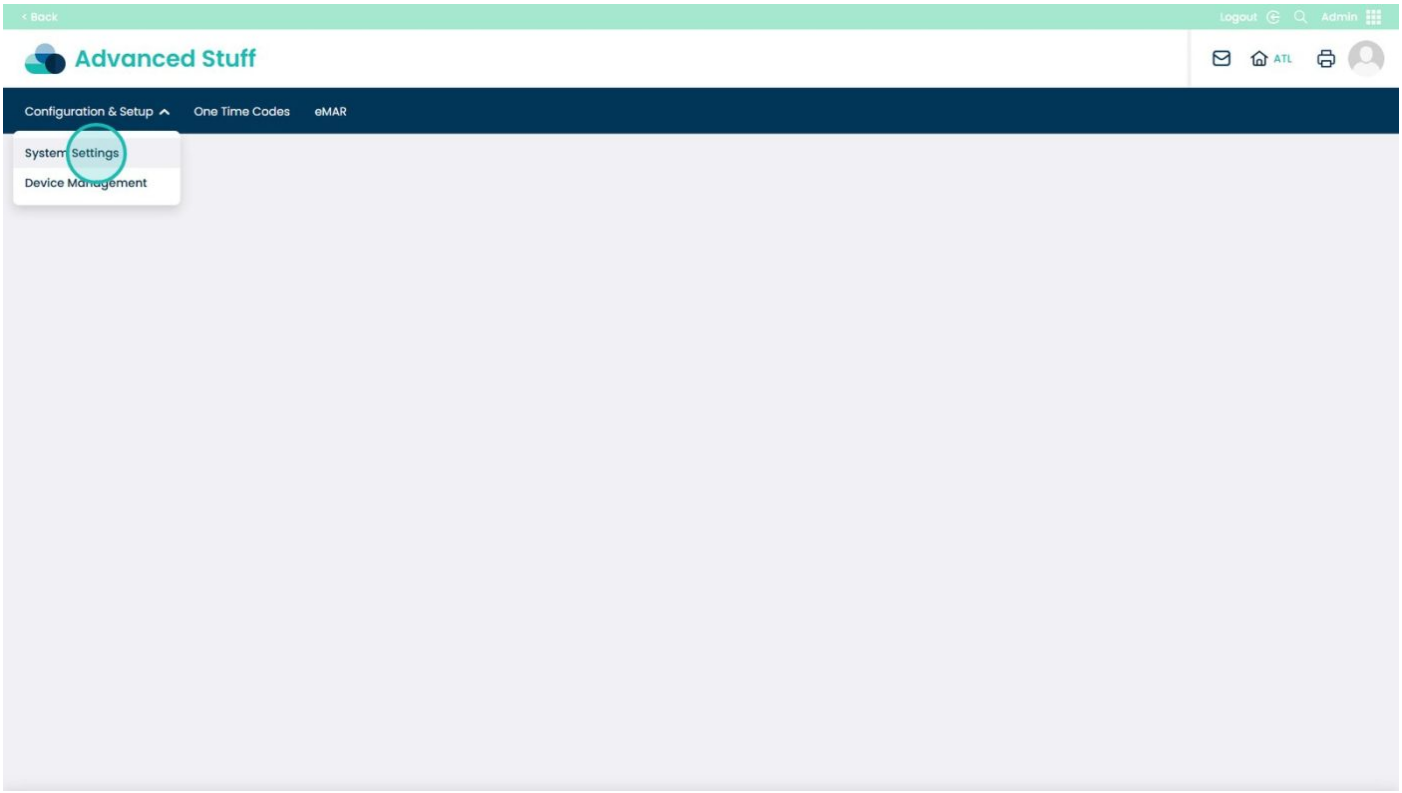

Visit the Advanced Stuff area

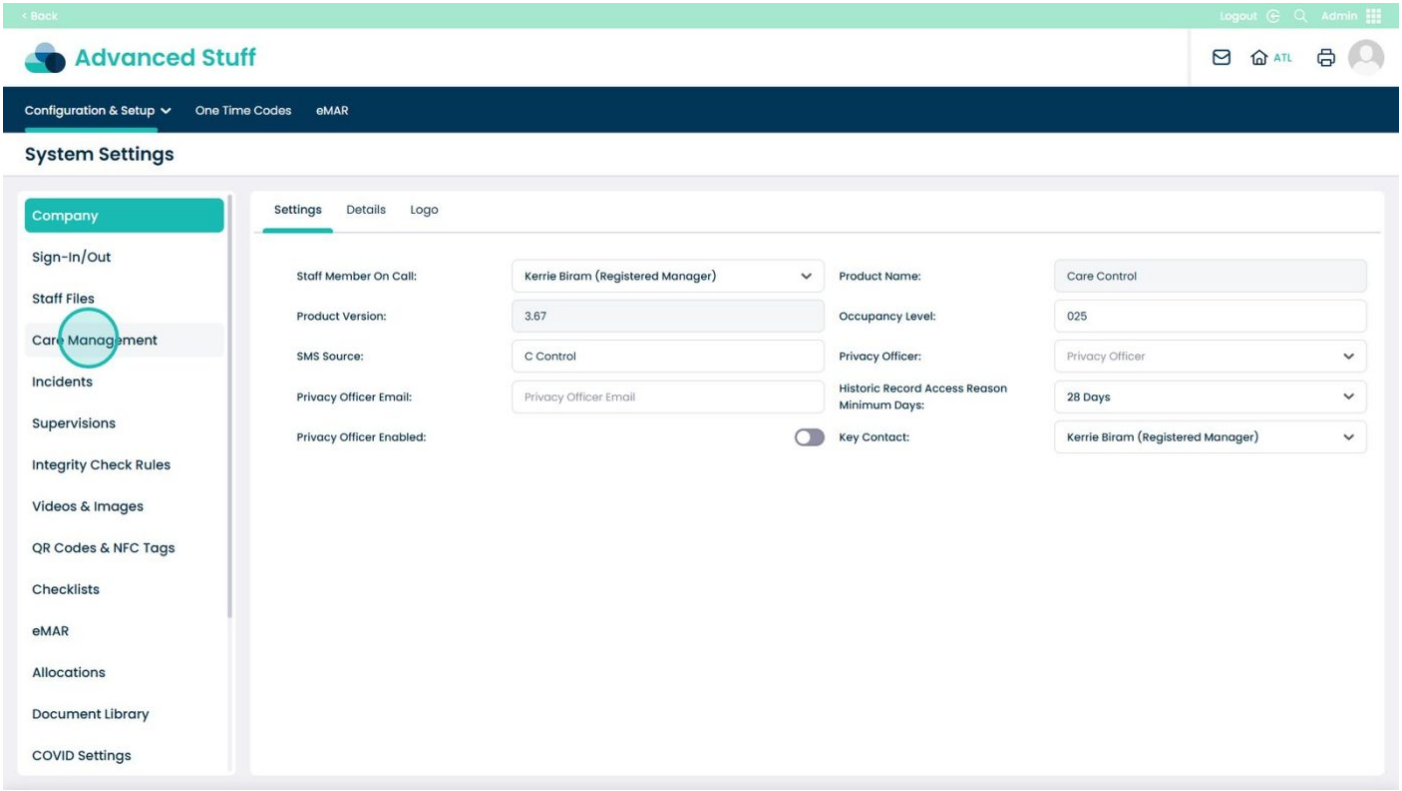

Open the Configuration & Setup drop-down

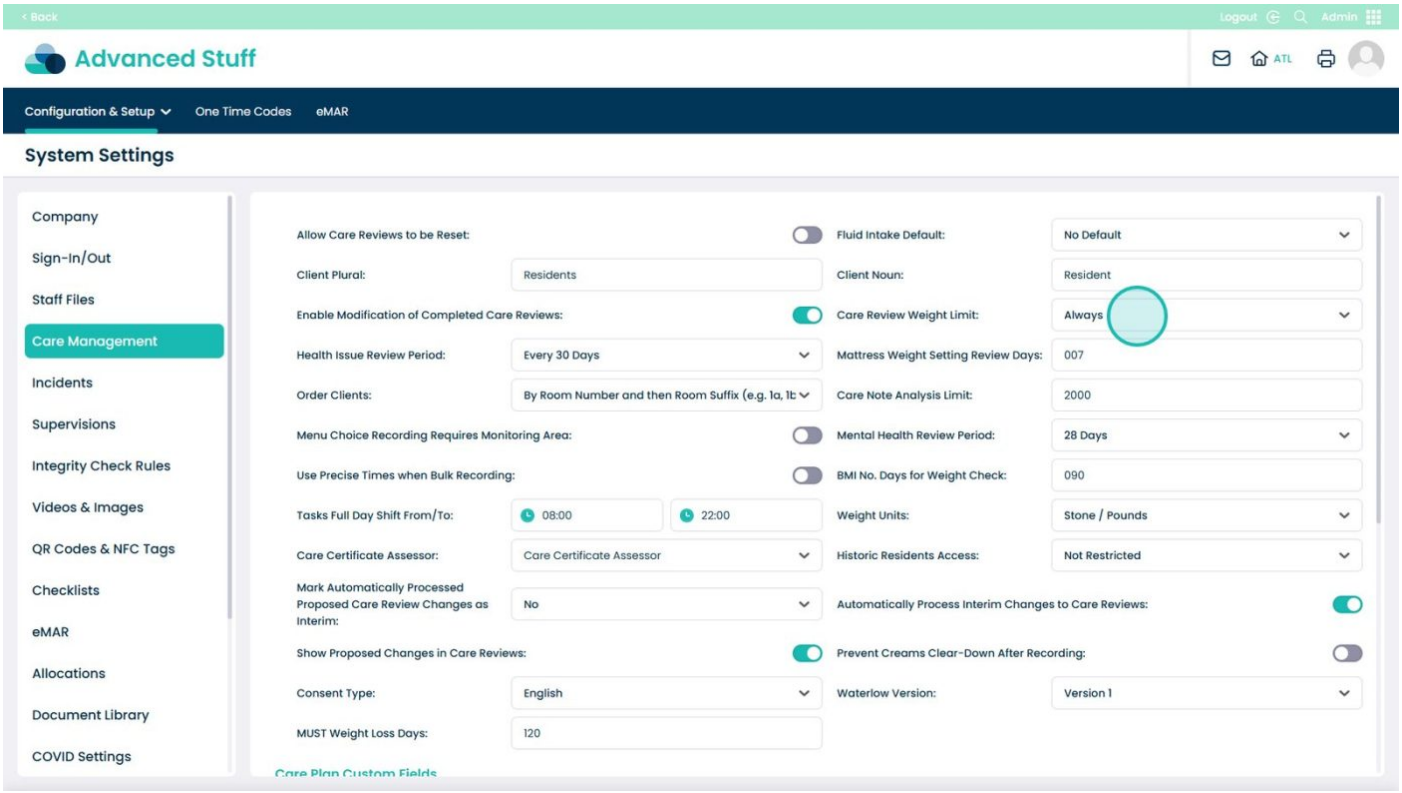

Select System Settings

Open the Care Management area

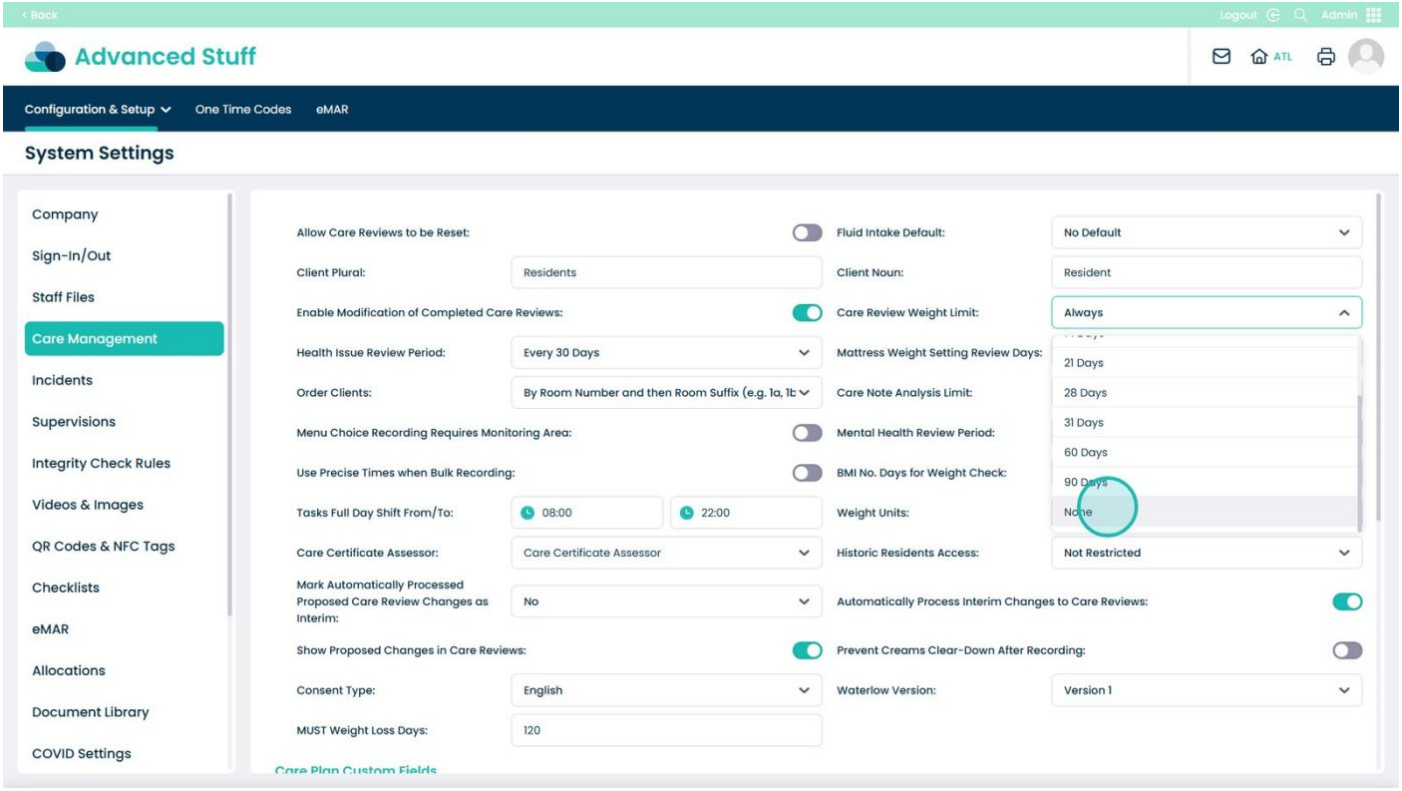

Open the drop-down under Care Review Weight Limit

Choose your preferred interval

You can choose **Always** to record daily, set a specific interval in days, or select **None** to disable recording of weight.

Once you make your selection, it will be saved automatically.
