Learn how to turn **Intelligent Care Review** on or off for your organisation from System Settings.

Takes 1 minute

For: Administrators

Updated: 5th Oct 2026

Introduction

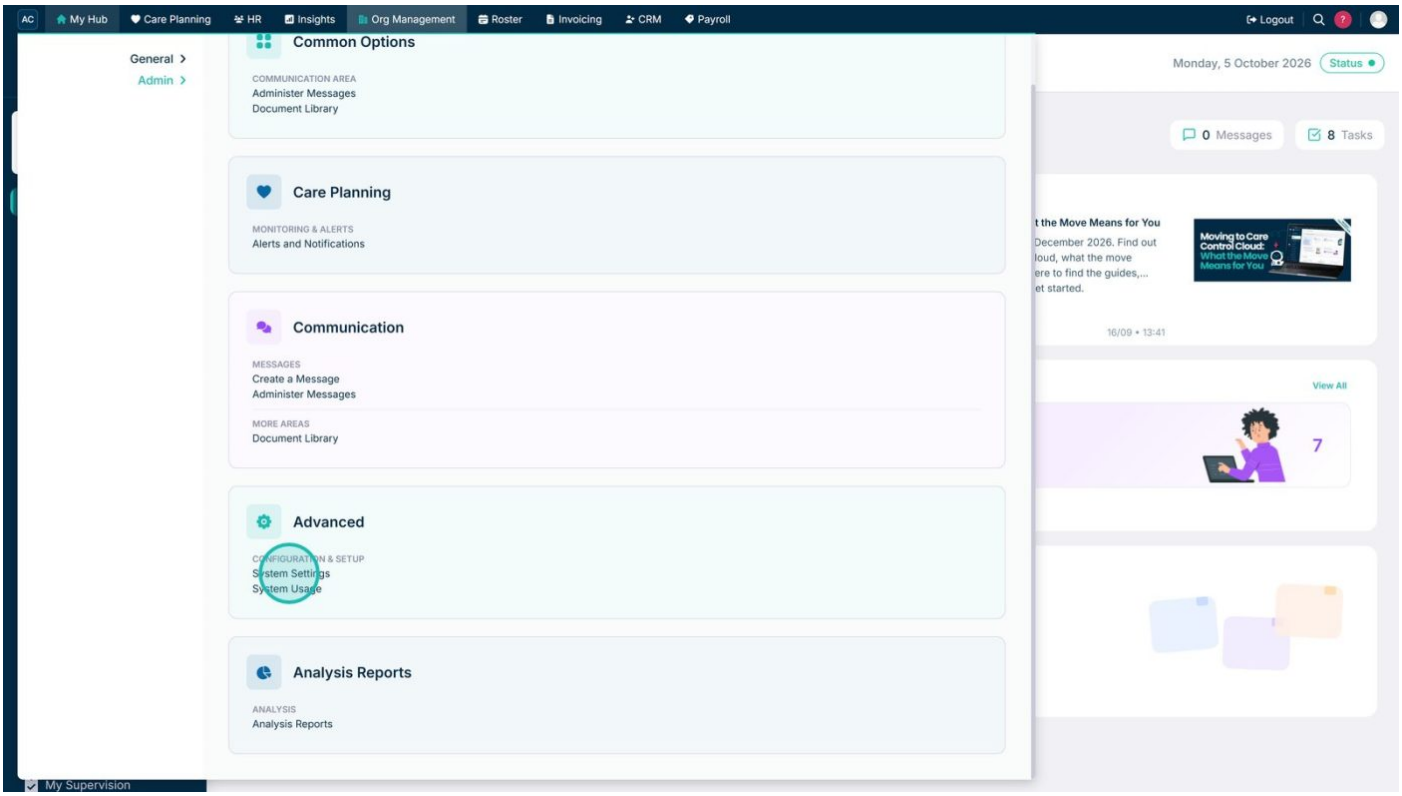

Intelligent Care Review can be enabled or disabled from System Settings.

This setting controls whether your organisation can use the Intelligent Care Review functionality within Care Planning.

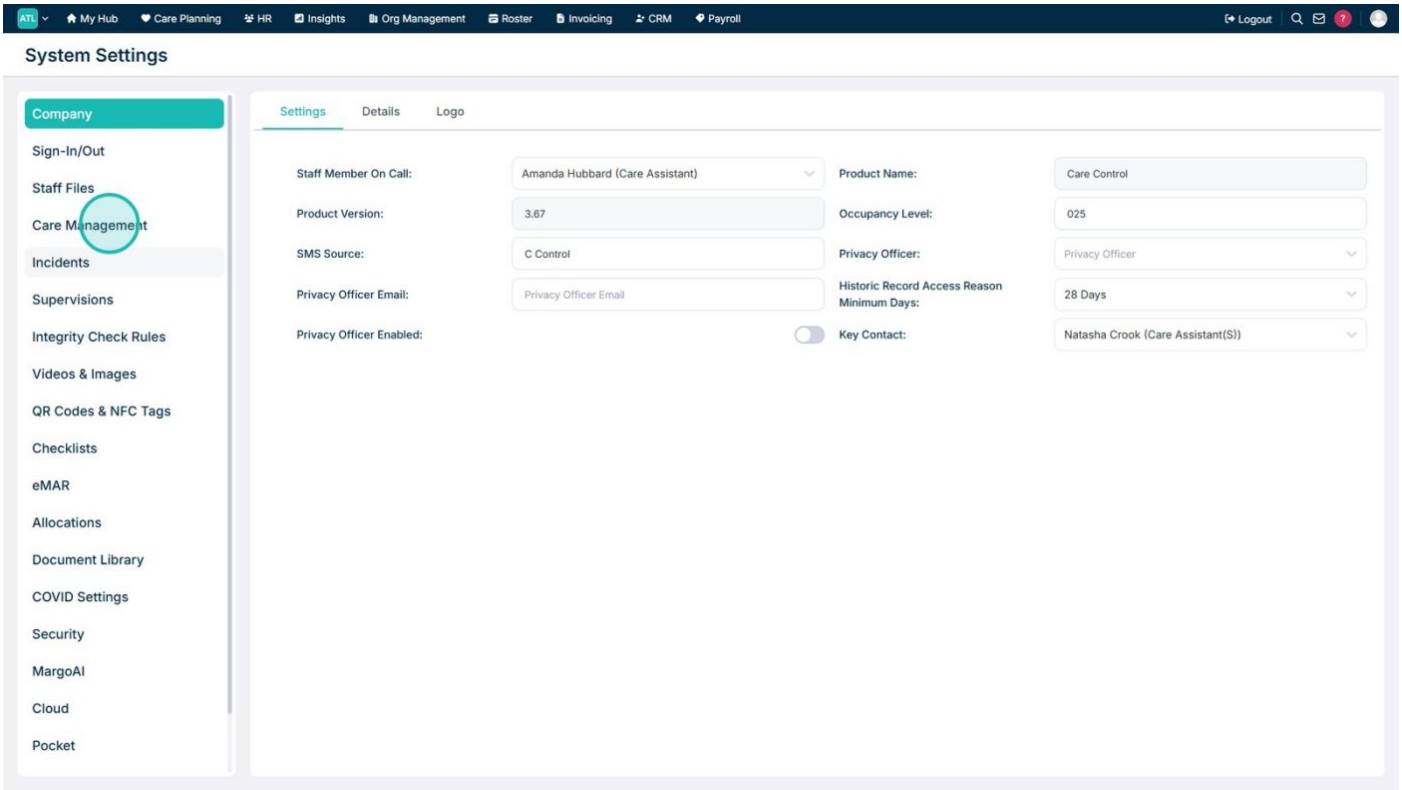

In this guide you'll learn how to:

- Open System Settings
- Navigate to Care Management
- Enable or disable Intelligent Care Review

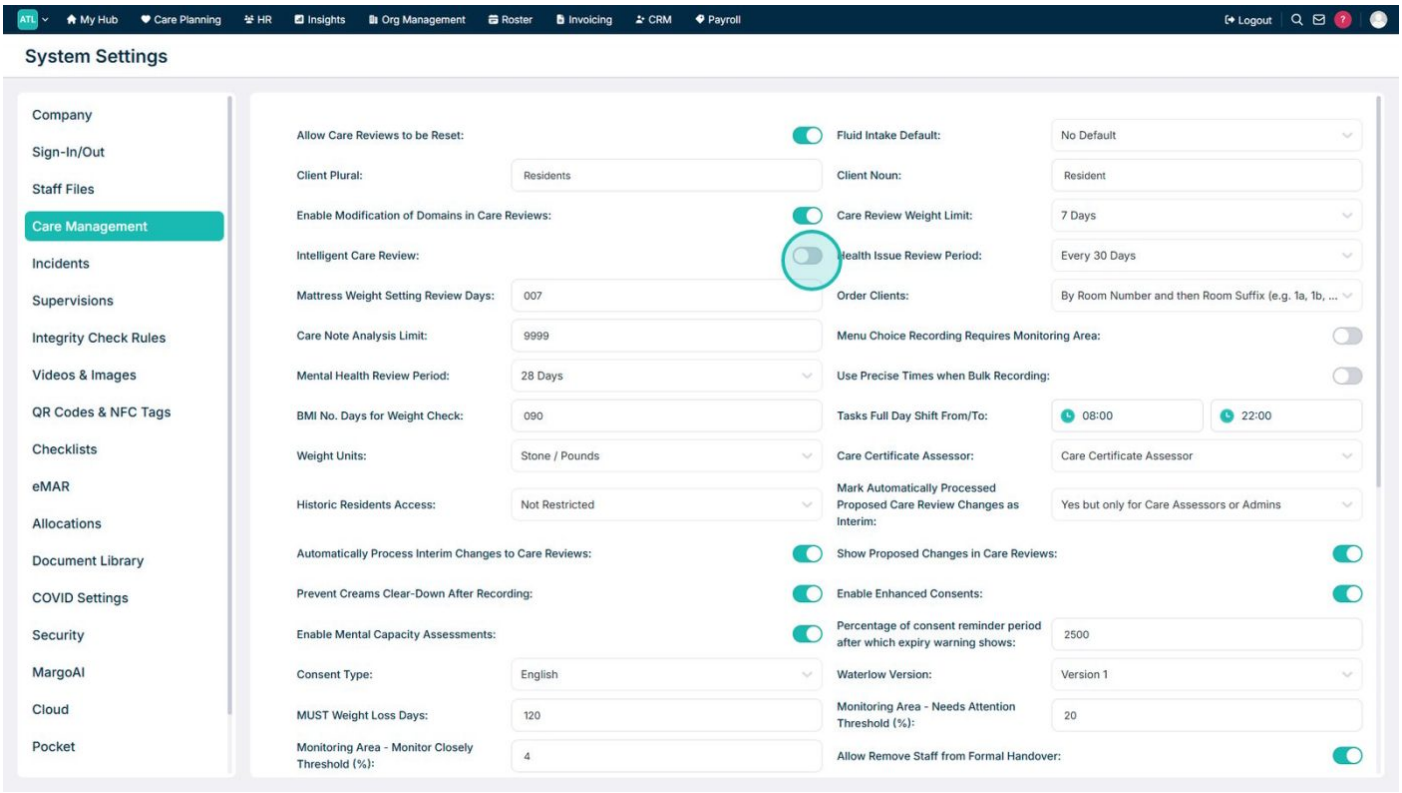

Open System Settings from the Advanced section.

Select Care Management.

Use the Intelligent Care Review setting to enable or disable the feature.

Top tip

Only enable Intelligent Care Review when your organisation is ready to use the enhanced Care Review process.
