Written guide

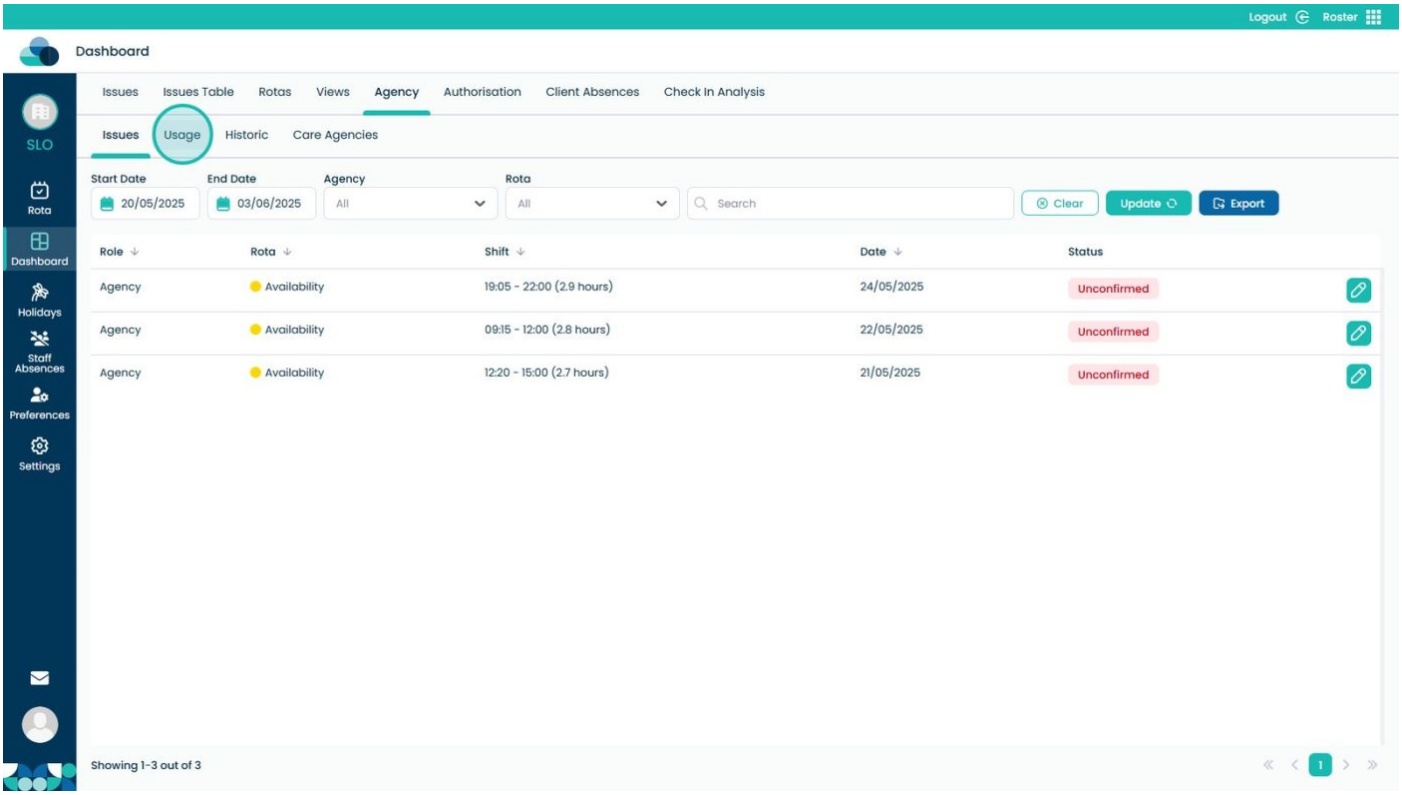

1. Enter the Roster App

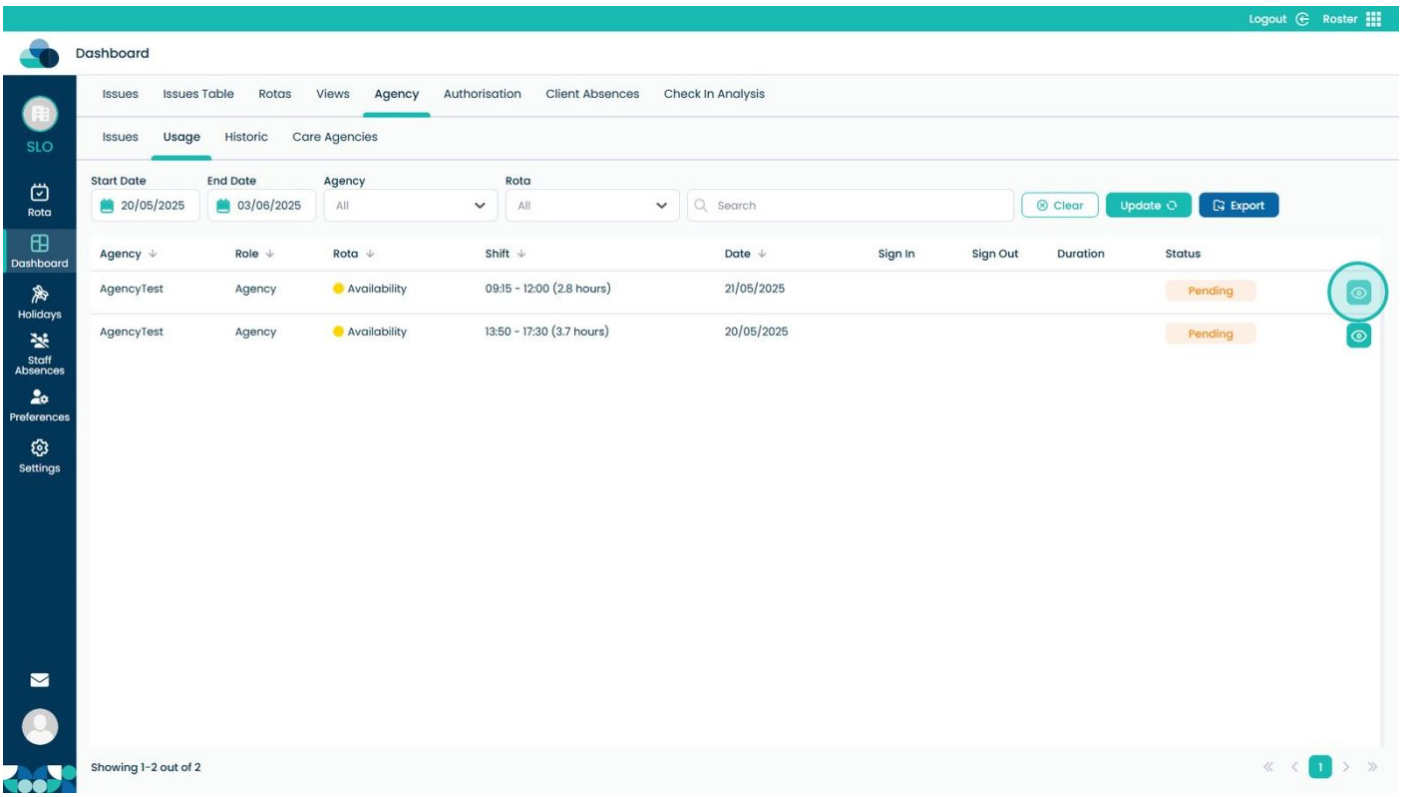

2. Select the Agency tab

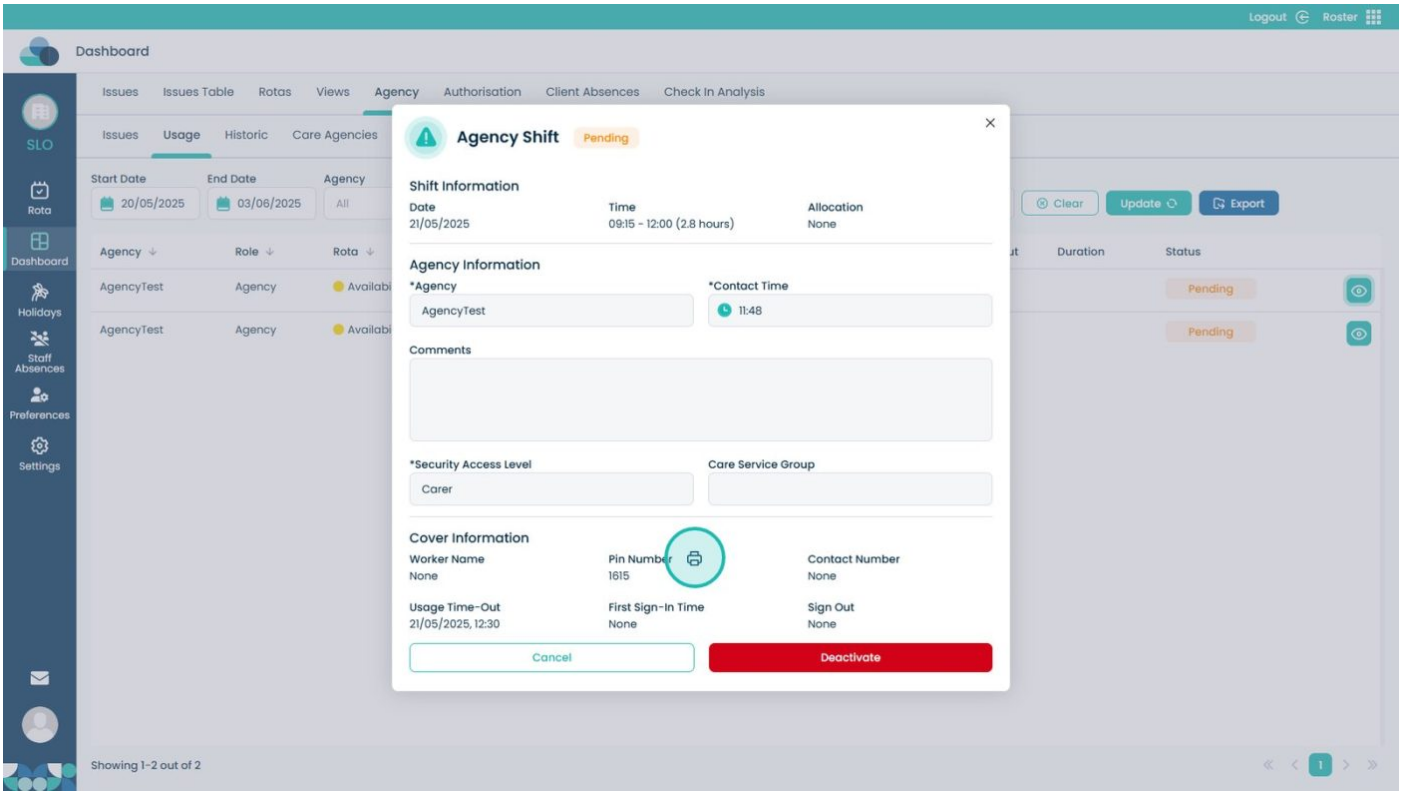

3. Now enter the Usage tab

4. Click the eye icon on an Agency member to view the details

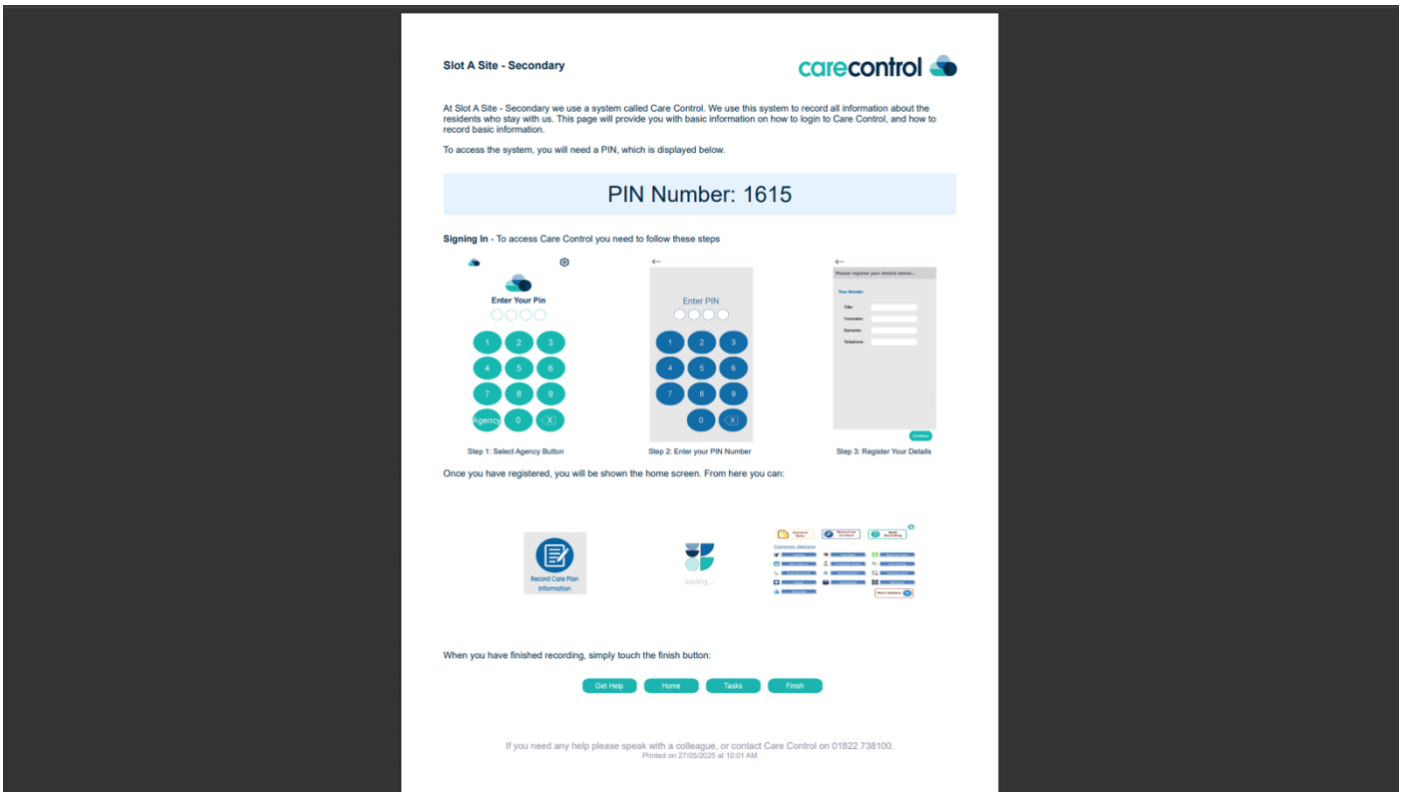

5. Select the Print icon to print the staff member's details off

6. This document now includes the PIN number along with clear instructions on how to use it for accessing Care Control Pocket.

It's designed to make the onboarding process smoother for agency staff by

providing everything they need in one convenient PDF. You can easily email this file directly to agency workers, giving them fast and secure access to the system without delay. This not only saves time for your team but also ensures agency staff are ready to go with minimal setup, improving efficiency and reducing administrative overhead.
