Propose a Care Review Change on Mobile

This guide will cover how to propose a Care Review change for a service user via Care Control Mobile.

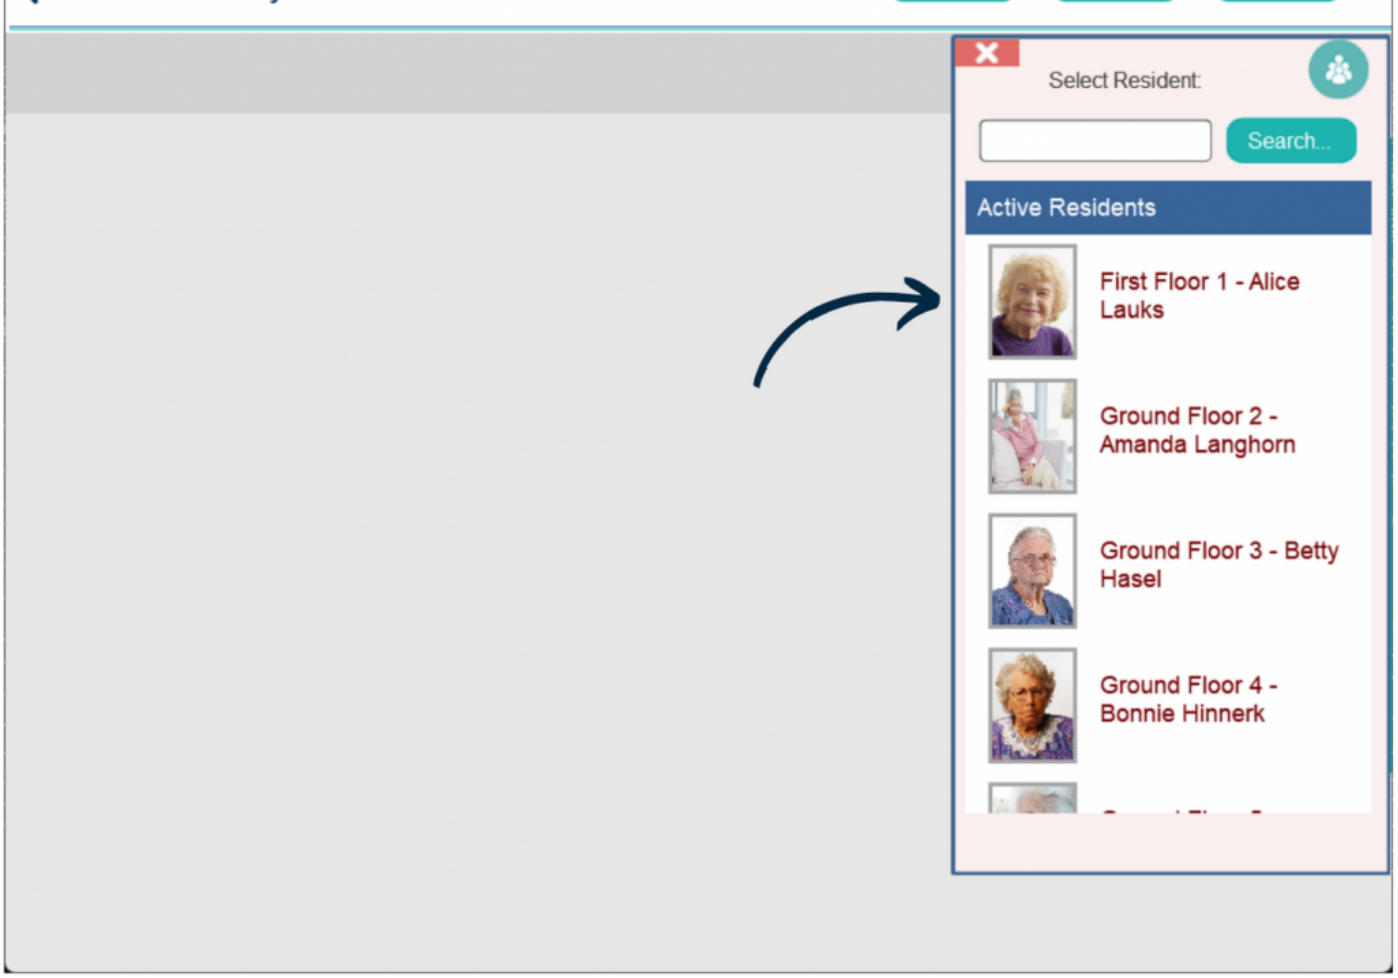

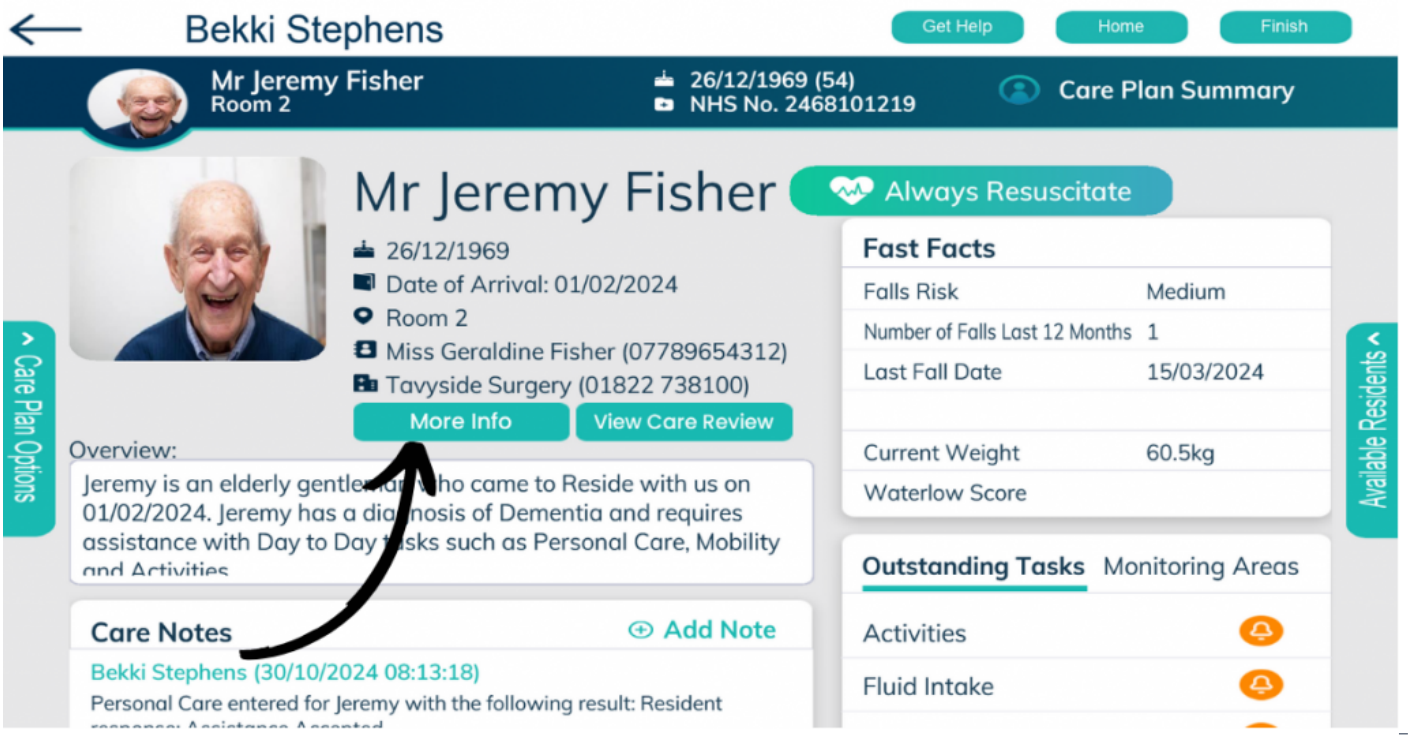

1

After signing into Care Control Mobile, select '**View Residents Care Plans**'.

2

Choose a **Service User** from the list on the right hand side.

Personal Care entered for Jeremy with the following result: Resident

3

Press '**More Info**'.

4

5

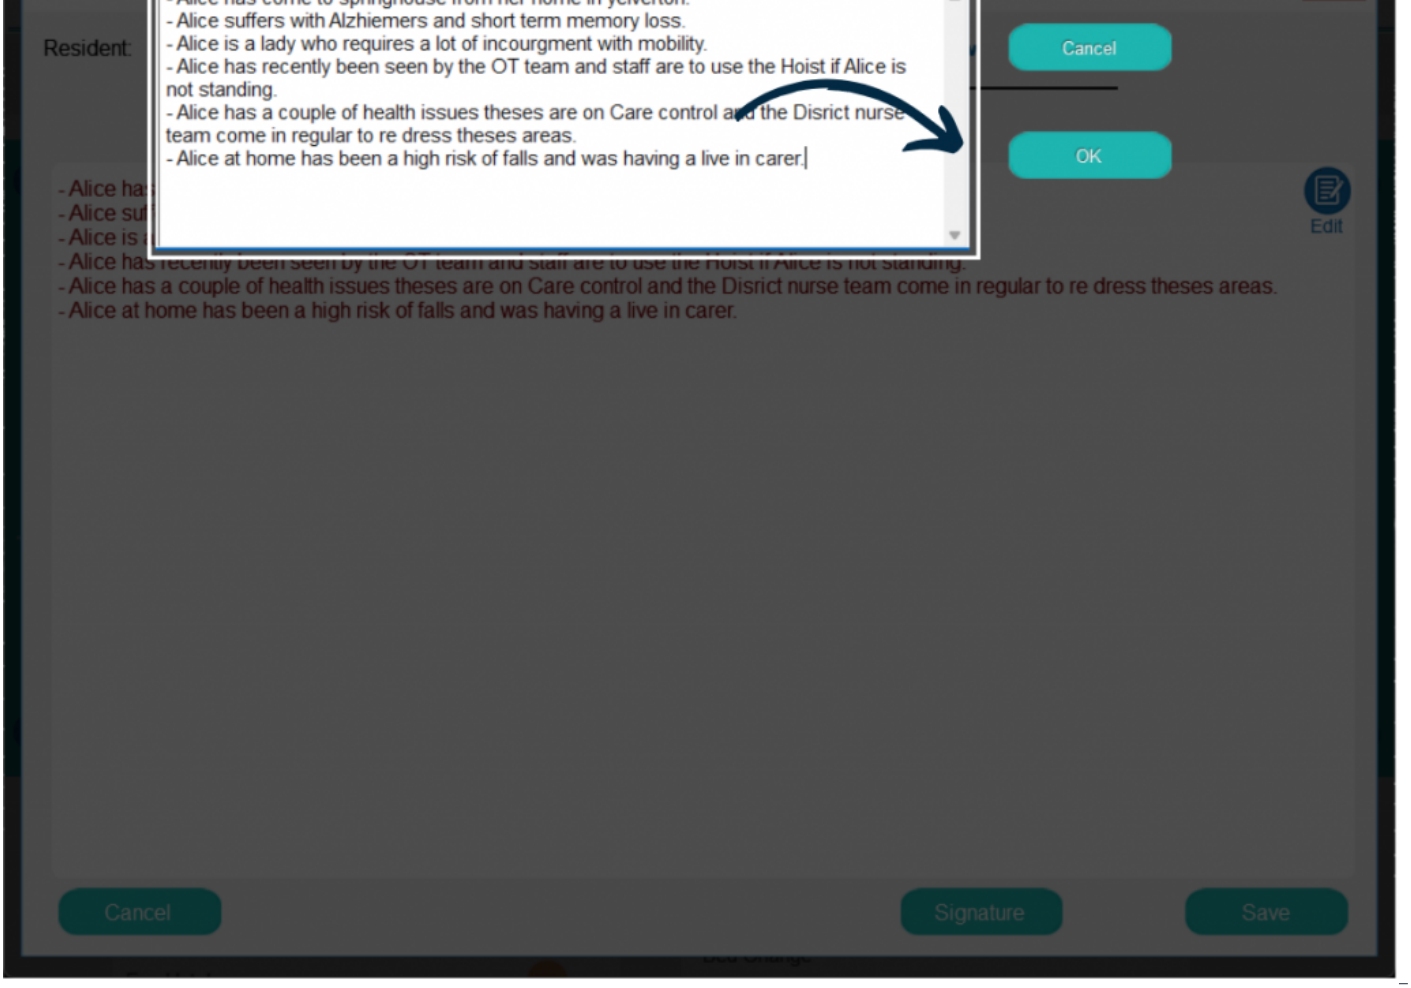

The section will enter edit mode.

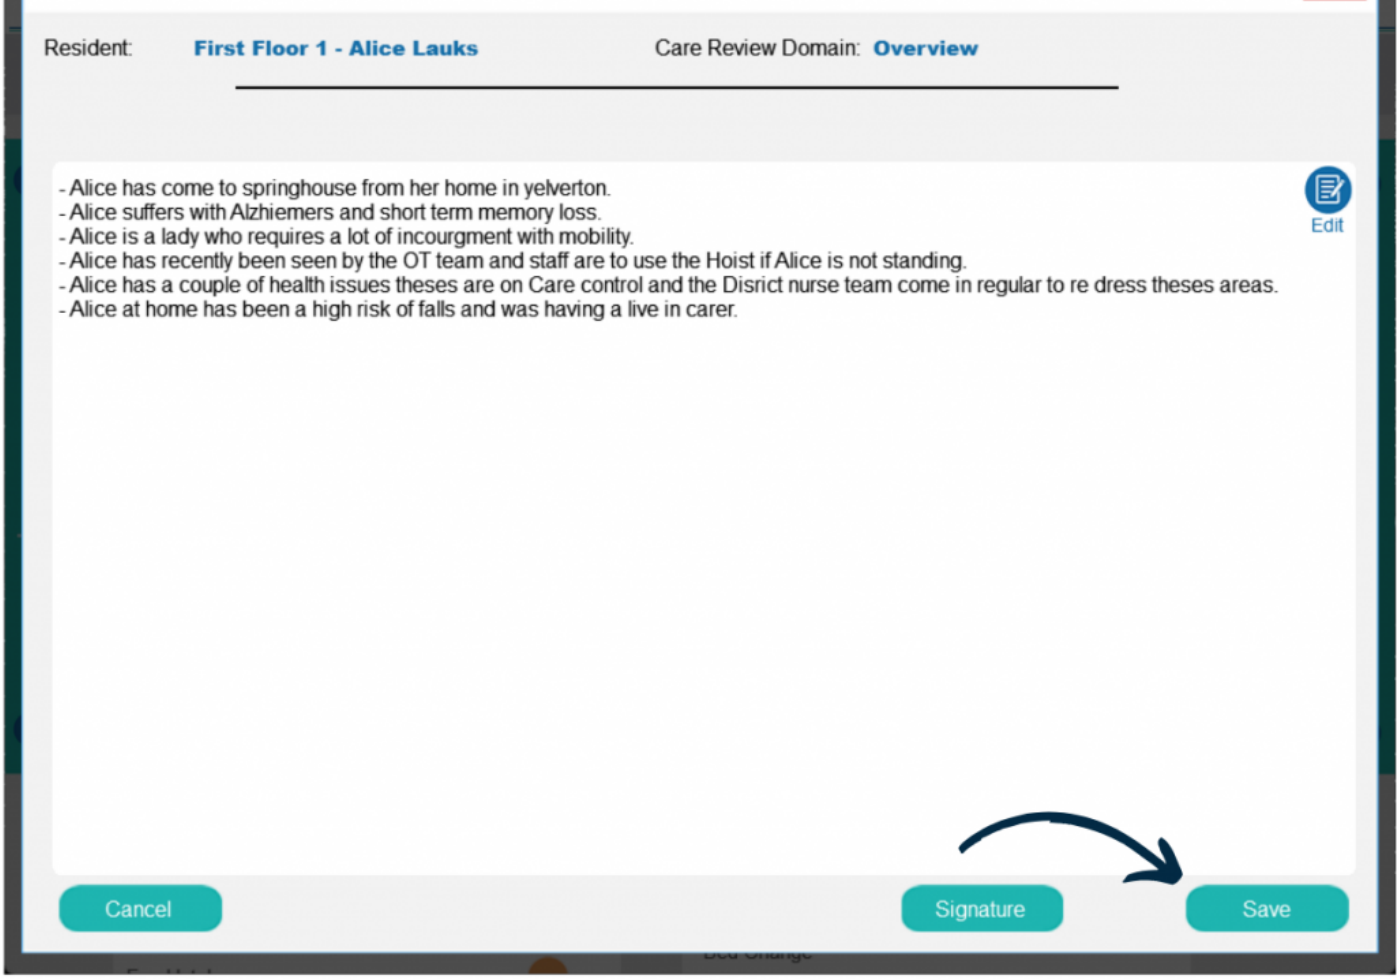

Press the '**Edit**' button.

6

Now, you can add, remove or change any of the text in this Care Review section.

After doing so, press '**OK**'.

- Alice has come to springhouse from her home in yelverton.
- Alice suffers with Alzhiemers and short term memory loss.
- Alice is a lady who requires a lot of incourgment with mobility.
- Alice has recently been seen by the OT team and staff are to use the Hoist if Alice is not standing.
- Alice has a couple of health issues theses are on Care control and the Disrict nurse team come in regular to re dress theses areas.
- Alice at home has been a high risk of falls and was having a live in carer.

7

Finally, press '**Save**'.

Your edits will not change the current Care Review for the service user. They instead will be sent through to Care Control Windows as a proposal for the next Care Review.

Users completing the next Care Review can then choose to accept or dismiss these proposals.

8

You will receive a confirmation that your proposal has been saved.
