1

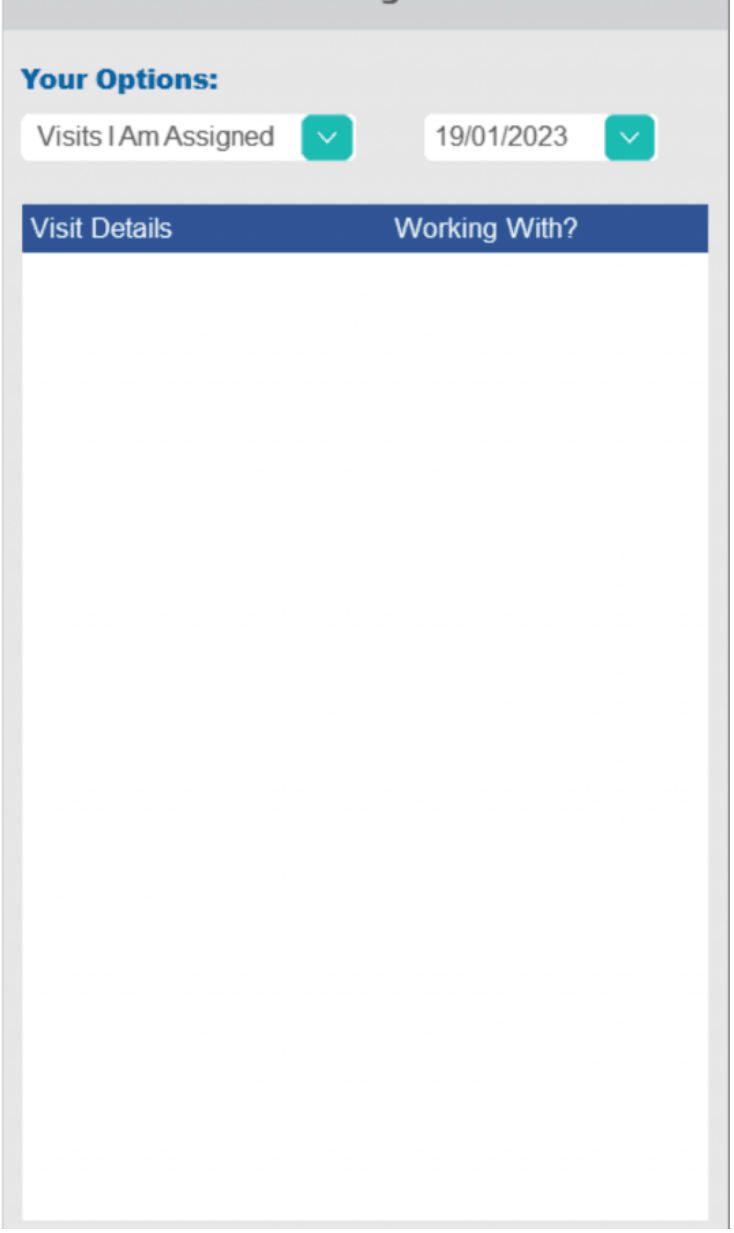

In the **Administration of Care Control Windows**, navigate to the **System Settings** which can be found under the **Advanced Stuff** tab.

2

In the system settings, open the **CC Pocket Settings** from the left-hand options.

Here, change the **CC Pocket Home Page** setting by choosing an option from the drop-down list, in this case, select **Staff Rota**.

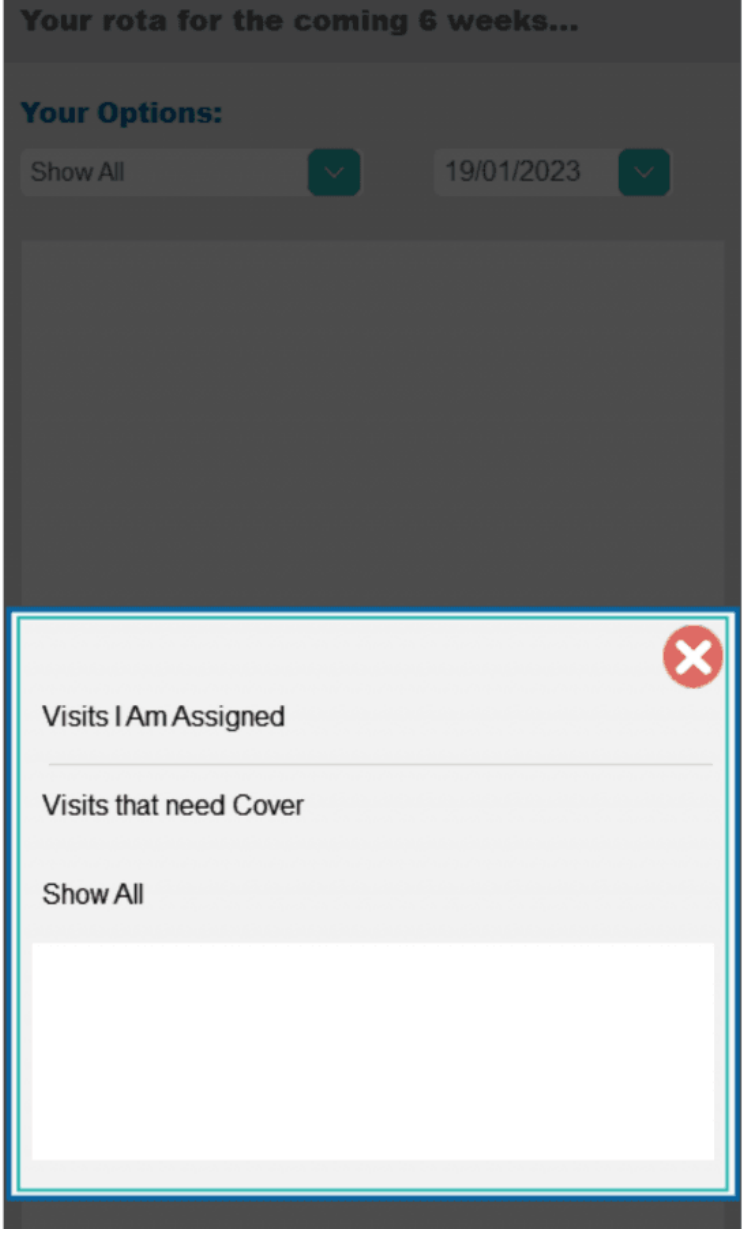

3

Now, after signing into Pocket, the homepage will open on the rota for the staff member.

4

You can filter the rota view using the drop-down lists at the top (by cover status and dates).
