Understanding eMAR

This guide covers how to set up the core eMAR settings via the admin side of the app. These settings include options for cream administration, medication window time, scheduling and medication safety times.

Embedded media:

1

This guide will cover how to navigate the eMAR application, including the options available on a **Service Users MAR sheet**.

2

A list of your service users will be displayed, select one from here.

Select Service User:
Active Residents
Ground Floor 1 - Alice Lauks
Ground Floor 2 - Amanda Langhorn
Ground Floor 3 - Betty Hasel
Ground Floor 4 - Bonnie Hinnerk
Ground Floor 5 - Doreen Hache
Ground Floor 6 - Issabel Jackson
Ground Floor 7 - Frank Jones
First Floor 8 - Emma Smith
First Floor 9 - Eve Gieves
First Floor 10 - Esther Goulding
First Floor 11 - Leah Gallyon
First Floor 12 - Lisa Dovey
First Floor 13 - Lorna Daber

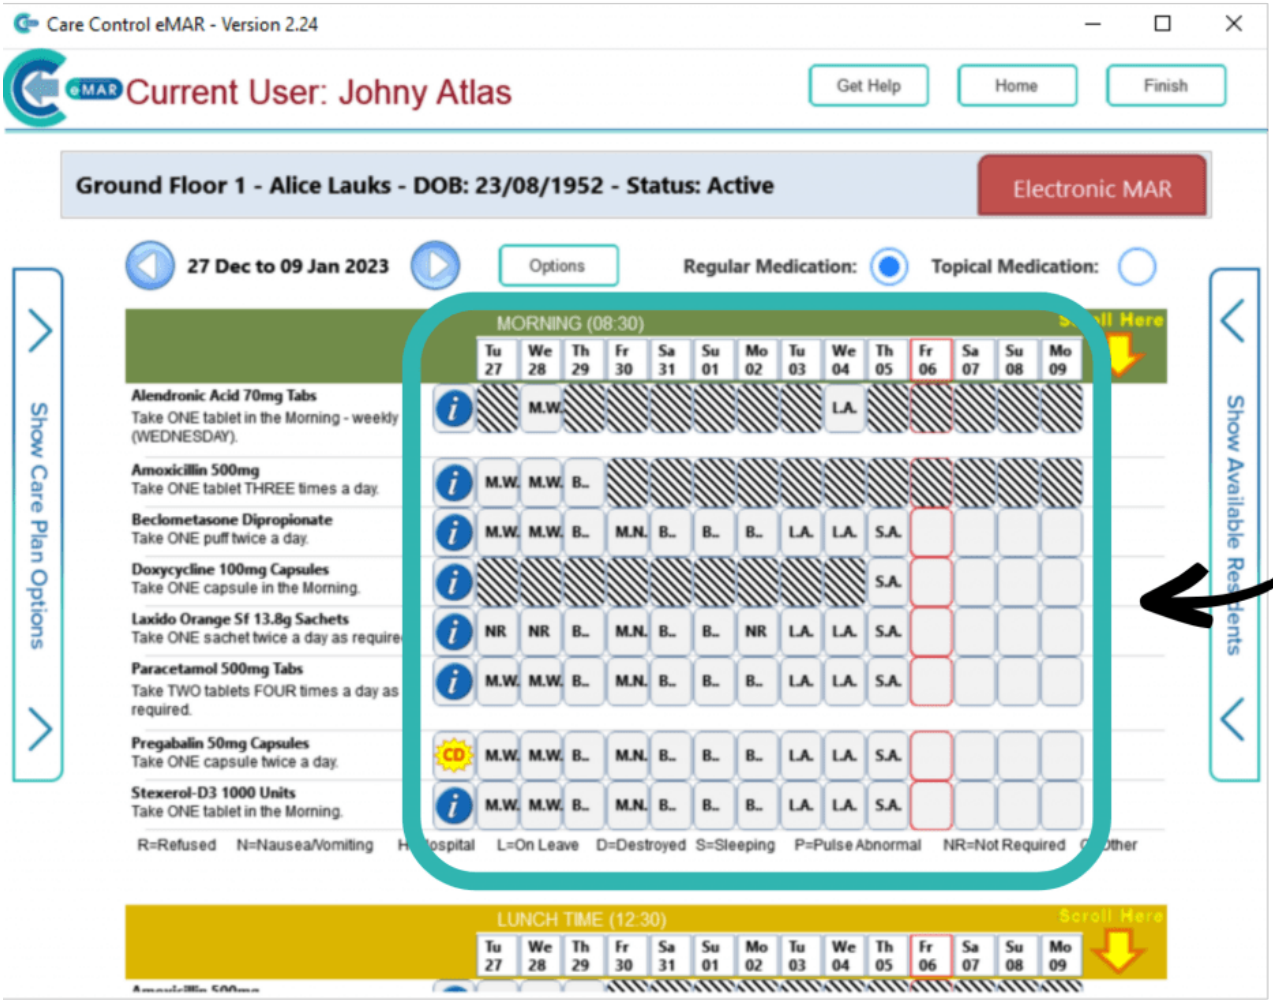

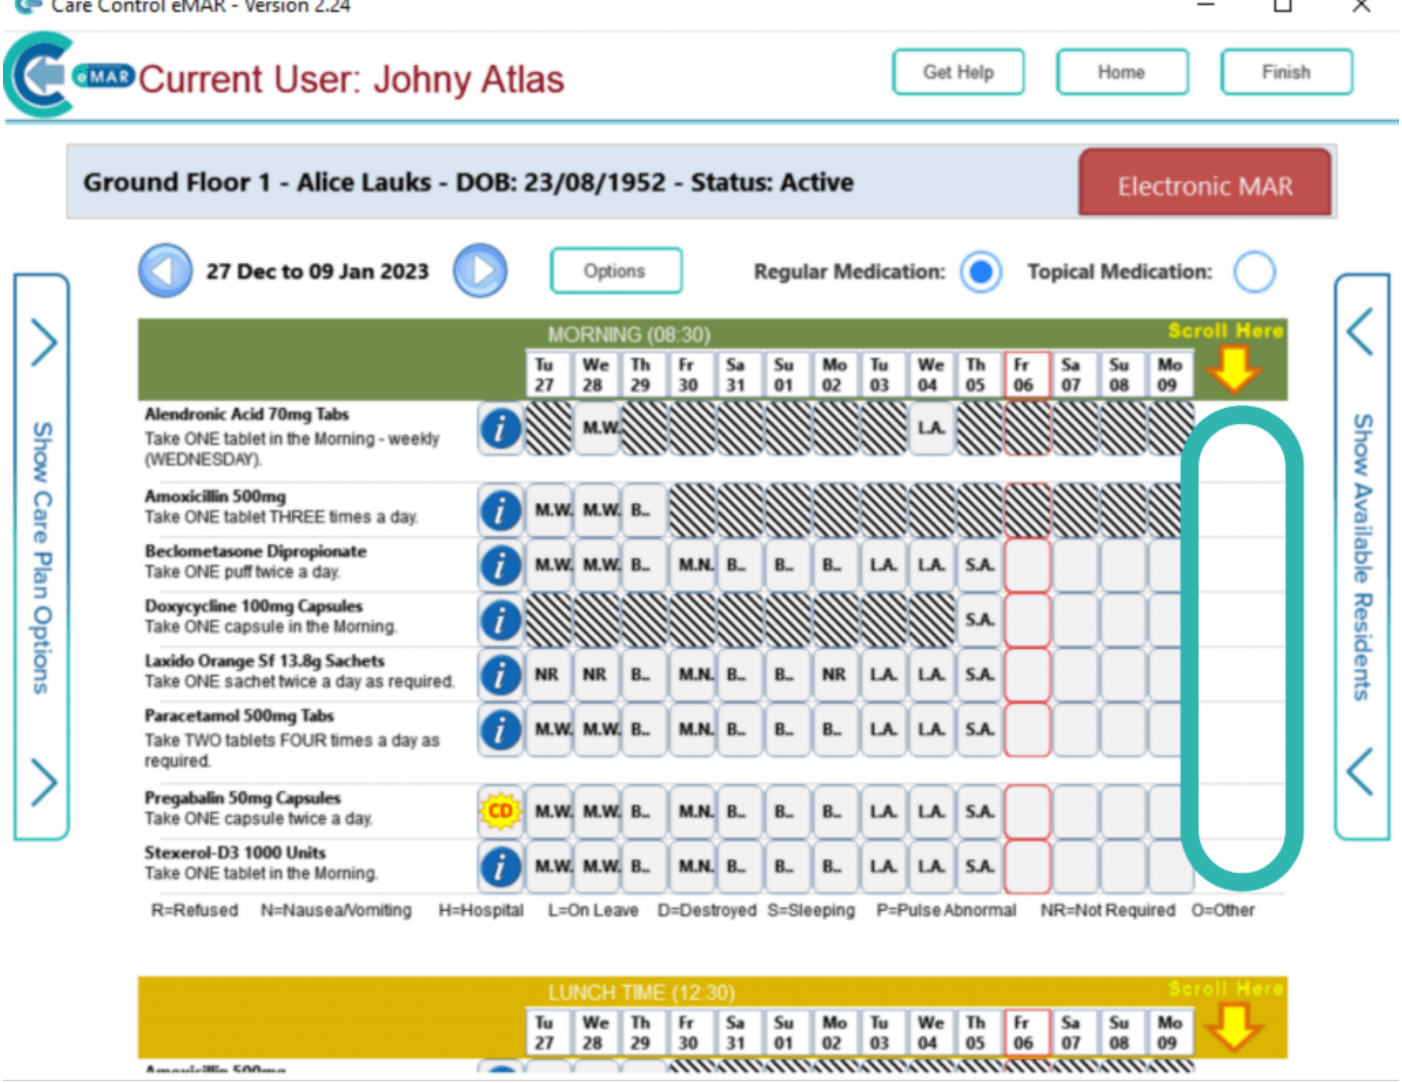

3

On the left hand-side of the table is a list of the medication for that service user.

4

On the right hand-side of the table you can see the administration status for each day, for each medication. Staff initials will show in the box if administered, as well as some other status messages, including if it is late, if the service user is sleeping and others.
