Using Pocket with an Allocation Group

Care Control Pocket · https://cclearninghub.co.uk/docs/using-pocket-with-an-allocation-group/

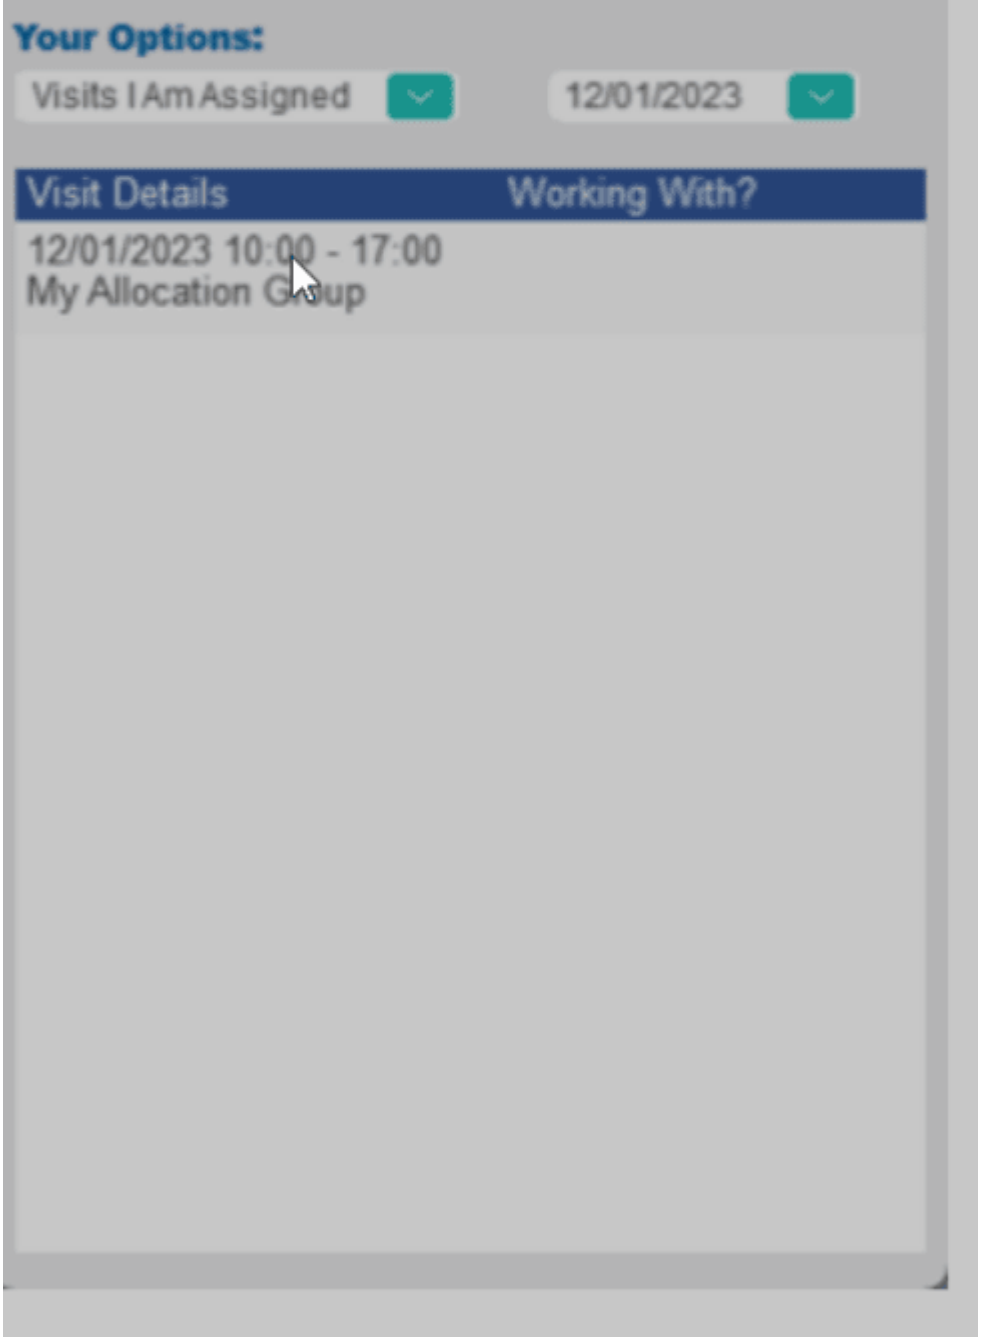

Using Pocket with an Allocation Group

This guide will cover how to view an allocation group from the rota view of Care Control Pocket.

Note: please see the link below for our guide on setting the Pocket home screen to the staff rota.

Setting the Pocket Homepage to Staff Rota – Care Control Learning Hub (cclearninghub.co.uk)

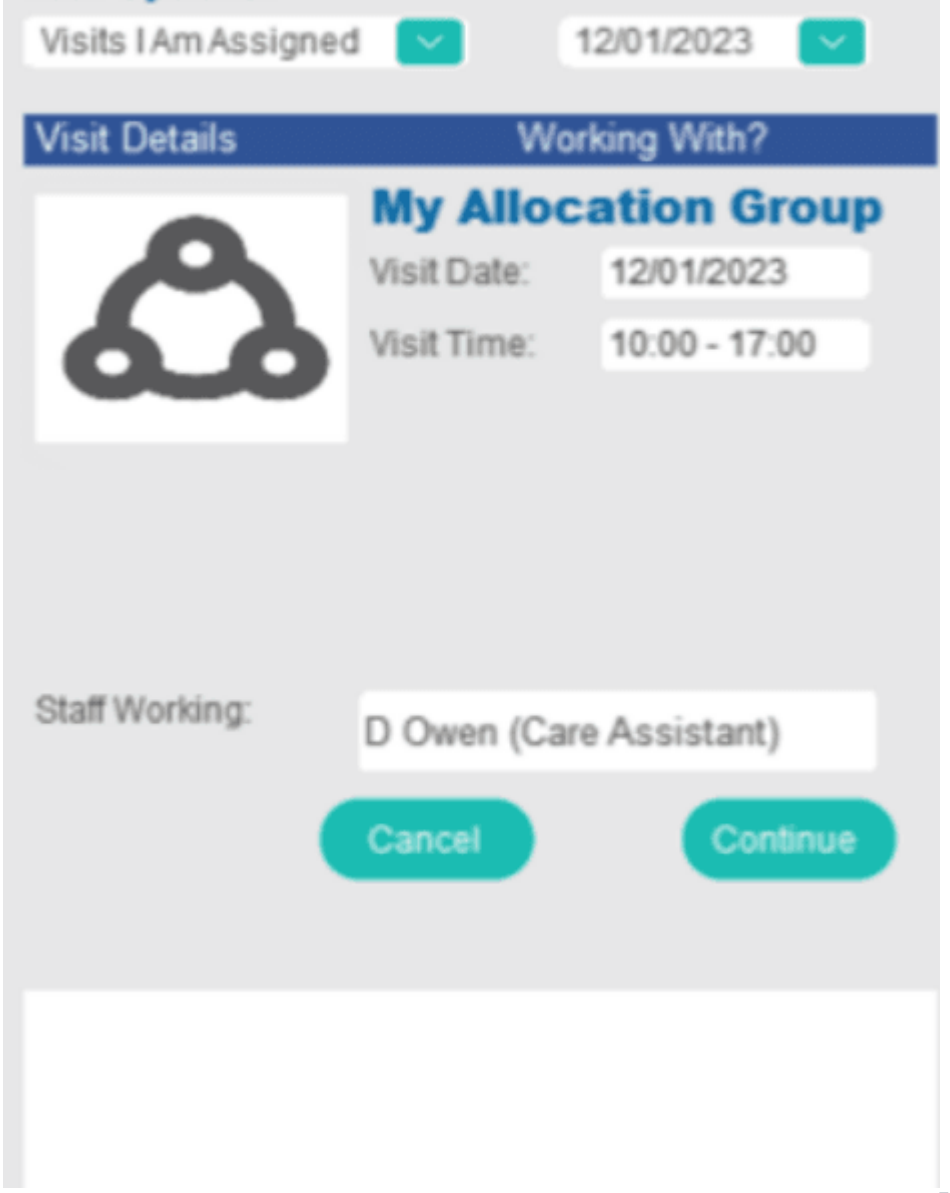

1

After signing into Care Control Pocket, tap on your allocated visit.

2

You will then see the visit details. Press **Continue** to load the visit.
